# About Us

Dayton Bartending Co is your local bar experience brought to your private event. Servicing over 150 events in 2022 and 200 events in 2023 we are the [self-proclaimed] bar experts for any private event. Our service area includes the Greater Columbus area, Cincinnati, Northern Kentucky and all of the surrounding areas. In February, we purchased a mirror photobooth to expand our services! In August, we're hosting a Golf Scramble and would love for you to be a part of it!

We use this outing to support small businesses local to our community! All of our catering, alcohol purchases, vendors, and sponsors are local! We use this event to advertise to a diverse group of people and put every dollar back into this event to make it something our community continues to support!
