Thank you!

Again, we want to thank all of our wonderful guests for continuing to support us. This has been a very odd year for everyone and it is truly wonderful to see so many smiling faces at Cedar Cove. You may have noticed some exciting new toys at the beach! Without the ability to provide some of the wonderful recreational amenities this year, we thought that some new water toys were just what was needed to make this summer just that much better. You may have also noticed a few new speed bumps in the park. As speeding continues to be an issue, we had to add speed bumps in order to keep all of our guests and pets safe. Please be mindful of your speed in the park! We have certainly lucked out this year as far as weather. What a hot summer it has been! We are not currently in a fire ban but with such hot dry weather, stay tuned to our website, as well as Lanark Highlands, for more information on fire ban and burning conditions. We sincerely hope you enjoy the remainder of your summer before the school season begins. Stay safe and have fun!

Over the last 15 years for Adam, and 9 for Kayla, the guests at Cedar Cove Resort have shown so much love and overwhelming support, Adam and Kayla cannot say thank you enough.

Adam and Kayla have dreamed of owning a fishing lodge since meeting in 2011, and with the purchase of Loon Lodge, this dream is finally coming true!

Although they are sad to leave "home", they are incredibly excited for the adventure ahead in Temagami Ontario.

Adam, Kayla, Hannah and Smokey thank all of the guests and staff of Cedar Cove Resort, and they cherish the pages and pages of memories made here.
