

# THE RECHO

JULY 17TH, 2021 FIRST EDITION

## Weekly Colouring Contest

Pick up your colouring contests weekly at the store! Finished pictures must be returned to the store before 10:00am on Sundays. Judging will take place on Sundays at 11:00am. Winners must be present to win. Good luck!!

## Things to Keep in Mind

- Try your best to be on time for activities.
- Children 6 & under must still be accompanied by an adult for all activities.
- Children with allergies or medical conditions must notify a Recreation member and bring their medication to all activities.
- If it rains we will be able to move indoors to the Imagination Station, provided there are less than 25 people. **MASKS WILL STILL BE REQUIRED FOR INDOORS.** So please bring them just in case we do move indoors.
- Please remember to bring your own water bottles and dress appropriately for the weather!

## Reminder:

Bring kids' craft baggies back to me (Callie), so that I can refill the bags with next weeks' crafts! Although we will be able to have indoor gathering limits of up to 25 people (including the rec staff) we will continue to run crafts this way so we are not all sharing the craft supplies.

Welcome back! I am so excited to be back running the recreation program here at Cedar Cove. I know it has been a long time coming and those kids need to get some energy out and give you a break! While our recreation hours and times have changed, we are excited to be able to offer something for the kids. I know many new families have come into the park since we last ran the recreation program so I thought I'd reintroduce myself! My name is Callie, I also work in the reception area so some of you may recognize me from there as well. I have recently graduated from Lakehead University in Thunder Bay from Teachers College. I love creating fun and exciting ways to get kids active as well as enjoy their summer with their friends.

Along with me, you'll see some new friendly faces, Anna M and Mackenzie, to help run activities. They are both very excited to be joining the rec team and make this a summer to remember!

Rec is back!! We are so excited to be able to bring back some fun activities and crafts for the kids this summer. You'll notice we are not able to run it how it used to be run, but we are going to do our best! We have created individualized baggies for each kid with some craft supplies. \*\*Each child will get their own bag, however, we will ask that siblings share the bingo dabbers and the bag of markers, glue sticks and pencil crayons as we have a limited stock of the mentioned supplies.\*\* Each weekend we will have a new craft that the kids can take home with them. The hours of recreation will be from 10am-3pm Saturday and Sunday and the Monday of the long weekend. Because of our restrictions and only being able to gather outdoors, if it is raining rec will be cancelled until the weather has cleared up a bit if it is early enough in the day. All of the activities will allow us to practice social distancing for everyone's safety.

JULY 17TH, 2021 FIRST EDITION

### **This weeks' craft! Watermelon fans!**

In your baggies this week, you will find a paper plate and a popsicle stick. To make this craft, all you have to do is colour your watermelon (or whatever fruit you want!), glue your popsicle stick onto the paper plate and fold it over, then just close it with tape it shut or have an adult help you close it. Now you've got a fan that will cool you off on those hot summer days!

# THE RECHO
