Hello, Guests!

Hello to all of our wonderful guests, and a warm welcome to our new guests of the park! We hope that everyone is enjoying their summer so far, and we look forward to having a great second half! We want to thank you all again for continuing to make Cedar Cove such a fun and friendly environment. We are very hopeful that we will be looking at a much more normal summer to come in 2022 and can't wait for it! Although we are in step 3 of reopening Ontario (yahoo!) we are still restricted to gatherings outdoors of 100 people maximum. Because of this, we are still unable to do many of the things that we would have liked to for our seasonal guests this summer. We are crossing all fingers and toes that this may change this season but simply don't know. We understand that the pandemic has made some of our guests' favourite things about the summer unavailable and we thank you for your continued patience and support through this. With the August long weekend right around the corner, we want to wish you all a safe and happy August and as always, we look forward to seeing all of your smiling faces!

-Eric & Danielle
