LEAKY HOSES ----

Please Turn off your water supply tap when you leave your trailer. Leaky hoses and filters contribute to water loss and poor pressure in the park. Please address any leaks immediately as they can cause problems for others.

ON ANOTHER WATER NOTE....

WE ARE SEARCHING FOR A LEAK SOMEWHERE IN THE PARK.... It's not a new leak; we've been looking for it for a while. Please keep an eye out for wet areas around or under your trailer and let us know immediately so we can investigate
