First,

THANK YOU!

**Serving as a Central Committee Member
is an important and vital part of Warren
County & our governmental process!**

SO WHAT IS EXACTLY IS THE WARREN COUNTY REPUBLICAN CENTRAL COMMITTEE?

Warren County has 31 precincts/townships.

Each individual precinct/township needs 2 Republicans to represent their area at monthly meetings.

Each precinct/township elects the 2 central committee members at the caucus.

**Thus, the Warren County Central Committee is comprised of up to 62
qualified Republican voters elected from these 31 the
precincts/townships in Warren County and is responsible for
representing their precinct/township.**

SO WHAT WILL I BE DOING AS A MEMBER?

Volunteer and recruit other volunteers for parades, county events, election activities, and the next precinct caucus.

Work with your other precinct members to get to know your neighbors - then get them involved!

Represent your precinct by attending monthly Warren County Central Committee meetings.

Encourage Republicans to get out and vote!

Attend & learn more information at County & State trainings.

Work to promote the Republican cause & help elect Republicans!

Help further the GOP movement through events, parades, and talking with your friends.

WHY IS THIS IMPORTANT?

To maintain the unalienable rights given by God and the freedoms provided by those who have gone before.

To assure peace & strength for ourselves, our loved ones, our neighbors, state, and nation.

**When ALL Central Committee Members do their part energetically and enthusiastically, the
Warren County Republican Central Committee will have a profound influence on restoring our
government's basic principles found in the Preamble to the United States Constitution.**
