

Advance Intelligence Engineering

QUALITY POLICY

AIE – Advance Intelligence Engineering

AIE – Advance Intelligence Engineering is committed to providing professional engineering design and consultancy services that consistently meet client requirements, applicable statutory and regulatory obligations, and relevant industry standards.

Our commitment to quality is achieved through the following principles:

- Deliver clear, reliable, and buildable engineering designs that add long-term value to our clients.
- Uphold high standards of technical integrity, accountability, and professional responsibility.
- Ensure compliance with applicable codes, standards, and contractual requirements.
- Promote effective communication and collaboration with clients and project stakeholders.
- Continually improve our quality management system, processes, and competencies.

This Quality Policy is communicated, understood, and implemented at all levels of the organisation and is reviewed periodically to ensure its continued suitability and effectiveness in line with ISO 9001 requirements.
