

is pleased to present our

Musical Instrument Rebate Program

PTSA does not officially endorse any particular business but we do want you to be aware of a generous musical instrument rental rebate program available through the non-profit arm of OC Music Center in RSM. Over the past 15 years *OC Music Center which is a locally owned family business, has donated over \$100,000 to local schools.*

For every musical instrument rented by families from Esencia, OC Music Center will donate back \$25 - so the more instruments our families rent from OC Music Center, the more money we will have to reinvest in our students. ***Thank you for supporting your PTSA!***
