

September 2020 - Updates!

Campus Visits, Staff Appreciation Notes, Snack Donations Needed and Hawk Gear Pick up!

Come Visit Esencia K-8!

This week, **Monday September 21st through Friday September 25th**, the Esencia K-8 Campus will be open for parents and students everyday from 3-6pm. Come see the location of your child's classroom and the gate for drop-off and pick-up they will be using when school reopens for in-person learning.

Help us Show our Staff Some Love!

While on campus visiting your classroom, please stop by the front office windows and help show how much we appreciate the teachers and staff by leaving them a little note of appreciation and encouragement. Starting **Monday, September 21st**, you can leave a message on our "Wall of Praise" located on the windows by the front office. Due to Covid-19, please bring your own pen/marker. Plain notecards will be available to write your note on.

Second Chance to Pick Up your Hawk Gear on Thurs, September 24th from 3-6pm

If you ordered Hawk Gear, please come to Esencia K-8 in the main parking lot on **Thursday, September 24th from 3-6pm** for pick up. If you did not order Hawk Gear, we will have very limited quantities of items for sale (credit card ONLY) during this time as well. We will reopen our Hawk Gear store in November.

Snack Donations Needed!

PTSA would love your help in welcoming our teachers back to campus. The current reopening plan sees a phased reopening to in-person learning starting on Monday, 9/28, with all grades on campus by Tuesday 10/6. We are collecting snacks to keep our teachers, admins, paraeducators, and all staff members nourished as they welcome our kids back to campus! If you would like to help us with a snack donation, please sign up [here](#). Once you sign up, the address for drop-off will be emailed. Please note: no snack donations will be accepted at the front office.

Volunteers

Needed!

Save the Date
