

We're counting on you.... to design a cover for the yearbook!

Esencia K-8 "I'm an Esencia Hawk and Proud of It" 2020-2021

Enter the yearbook cover contest to design the cover of this year's Esencia K-8 yearbook. The contest is open to all Esencia K-8 students in grades Transition Kindergarten through 7th. Student skills are appreciated at every grade level, so parents, please encourage your child to design and draw their own unique cover that encompasses all the (we know it's tempting to help out, but try to refrain☺).

Design Requirements:

The following requirements were created based on our previous experience reviewing the yearbook cover artwork. Entries that do not follow all the requirements will not be considered.

Your design must:

- be in "portrait" page orientation (paper standing upright like previous yearbook covers) and fit within the outline on the attached paper. Artwork must fit within the outline; anything outside the lines will be cutoff.
- include your ORIGINAL design showcasing our school community's connection and strength through this unique year. Be creative!
- include the name of our school – Esencia K-8 (be sure to use correct spelling and capitalizations).
- include the school year 2020-2021.
- be multi-color. Colored pens, markers, or crayons typically work better than pencil. Darker, vibrant colors look best when reproduced on the cover of the yearbook. It is also recommended that you choose a colored background, rather than leaving a large amount of white space behind your artwork.
- not include your name (or any other names) on the artwork. Only put your name on the entry form.
- not include others' artwork or licensed characters.

Please return both pages of this entry form to your teacher by **Friday, February 5, 2021**. Or scan/email your entry form to ek8pts@gmail.com. The winning design will be determined by a committee of teachers and staff and announced during morning announcements in February. If you have any questions regarding this contest please contact ek8pts@gmail.com.

Entries are due by Friday, February 5, 2021 – NO EXCEPTIONS

Student's Name: _____
