

**SILVER WOODS FOOD DRIVE (Information below provided by Denise Stock)**

We are excited to announce a food drive at Silver Woods to support a new Emergency Food Pantry in the local area (this is being coordinated in our neighborhood by Denise Stock and Darlene Maternick).

Fran Milo, former resident of Silver Woods, is head of the food programs at Mariner's Bethel United Methodist Church on Central Avenue. She recently got permission to open an emergency food pantry at the church.

This is where we will be donating all food and necessities we collect.

Though we are grateful for all donations, we hope to focus on some of the main needs of the pantry. We are going to have monthly items that they have a great need for.

You can bring your items to the clubhouse & place them in the bin provided (it is in the coat room to the right as you enter the front door of the clubhouse). We will be delivering these items weekly & if we are overwhelmed with support, we will deliver them bi-weekly. All items will go to the pantry for distribution. Please check expiration dates on items you are donating.

We look forward to making this contribution to people that are dealing with food insecurities at this difficult time.

Thanks in advance for your support!

**November Wish List**

1. Breakfast Items
2. Protein Sources

**December Wish List**

1. Hygiene Necessities

2.Dry goods (rice, pasta, potatoes )

January Wish List

1. Fruit (canned)
