जब मैं था तब हरी नहीं, अब हरी है मैं नाही | सब अँधियारा मिट गया, दीपक देखा माही

अर्थ : जब मैं अपने अहंकार में डूबा था, तब प्रभु को न देख पाता था। लेकिन जब गुरु ने ज्ञान का दीपक मेरे भीतर प्रकाशित किया तब अज्ञान का सब अंधकार मिट गया। ज्ञान की ज्योति से अहंकार जाता रहा और ज्ञान के आलोक में प्रभु को पाया।

The Ugly Duckling

A long time ago, a farmer kept four eggs together, all of which hatched after a few days. While three of the ducklings that came out of the eggs looked exactly alike, the fourth one looked different. He was bigger and plain gray in color. The duckling always felt different from its siblings and was always picked on.

All the ducklings called him ugly and made fun of him. One day, the duckling got fed up with all the teasing and bullying and ran away to a nearby river, where he came upon a family of beautiful swans. Looking at the young members of that family, the duckling realized that he never looked like any of his siblings because he was a swan and not a duckling. Then, he realized that soon enough, he would grow into a beautiful swan and wouldn't be called ugly anymore.

Moral of the Story : We should never judge anyone based on his/her physical appearance. Everyone is beautiful in their own individual way.

FINANCIAL LITERACY

Opening a Bank Account

A bank account can be opened in the name of an individual singly or jointly with a family member by submitting the following documents: Passport size photographs Identity proof Address proof Opening amount Once the account is opened, the bank provides to the account holder an account number and cheque book to operate the account. Some banks also provide account holders with access to mobile banking.

Types of Bank Accounts

Savings Account: These are the accounts opened in banks with the key purpose of inculcating the habit of saving among people. This kind of account is popular with students, salaried individuals, and senior citizens. Savings accounts earn a nominal interest which is based on the time period the funds are parked in the account.

Current Account: These accounts are opened by business owners as they meet their requirement for an unlimited number of cash deposits and withdrawals.

Fixed Deposit: This account type is ideal for depositors who wish to park their funds in the bank for a long period of time. The key benefit of fixed deposit is that it provides a substantially higher rate of interest compared to savings accounts.

Recurring Deposit: Very popular with students, recurring deposits are designed to encourage the habit of regular savings among people. These deposits higher interest than savings accounts.

दुर्जन दर्पण सम सदा, करि देखौ हिय गौर। संमुख की गति और है, विमुख भए पर और।

भावार्थ: दुर्जन शीशे के समान होते हैं, इस बात को ध्यान से देख लो, क्योंकि दोनों ही जब सामने होते हैं तब तो और होते हैं और जब पीछे पीछे होते हैं तब कुछ और हो जाते हैं। भाव यह है कि दुष्ट पुरुष सामने तो मनुष्य की प्रशंसा करता है और पीठ पीछे निंदा करता है, इसी प्रकार शीशा भी जब सामने होता है तो वह मनुष्य के मुख को प्रतिबिंबित करता है; पर जब वह पीठ पीछे होता है तो प्रतिबिंबित नहीं करता।
