

ARTIST/DESIGNER REPRESENTATION, RESIDENCIES & ASSET MANAGEMENT

SENSE GALLERY — Your Partner in Growth & Legacy

We believe that an artist's success is not only about visibility but also about long-term stability. Our representation, residency, and asset management services are designed to help you grow your career, expand internationally, protect your legacy, and manage the financial value of your work as a lasting asset.

WHAT WE OFFER

1. Artist Representation

- Gallery representation with access to exhibitions, art fairs, and international collectors.
- Strategic positioning of your work in the market to enhance visibility and long-term value.
- Portfolio development, storytelling, and career branding.
- Negotiation and sales management to ensure fair pricing and consistent revenue.

2. Artist Residency Opportunities

- Access to curated residencies in inspiring cultural locations worldwide.
- Opportunities to focus on creative practice while engaging with new audiences and institutions.
- Networking with other artists, curators, and collectors.

3. Wealth & Asset Management Services

- Collection Documentation – digital archiving, provenance, authentication, and certificates.
- Valuation & Pricing Strategy – advisory on pricing your works and tracking value growth.
- Investment Advisory – strategies for reinvesting profits, diversifying assets, and building financial resilience.
- Legal & Tax Support – assistance with contracts, copyright/IP rights, and international tax considerations.
- Legacy & Estate Planning – structuring collections and archives for future generations.

- Resale & Secondary Market Strategy – advisory on resale, royalties, and long-term market presence.

4. Additional Services

- Management of commissions and bespoke projects with corporate and private clients.
 - PR & Media support to increase your visibility.
 - Networking with collectors, curators, and cultural institutions.
 - Optional financial advisory in partnership with trusted wealth management professionals.
-

WHY PARTNER WITH US

Your focus is your art. Ours is making sure everything else — from financial planning to asset management — is taken care of.

- Combination of art market expertise, career development, and asset management knowledge.
 - Access to residencies, collectors, and international institutions.
 - Long-term strategies that strengthen both your career and your financial independence.
 - Transparent and trust-based collaboration tailored to your goals.
-

IDEAL ARTISTS

- Emerging artists ready to grow internationally.
 - Mid-career artists seeking to professionalize their financial and career strategies.
 - Established artists interested in residencies, legacy, estate, and collection planning.
