

FOR OFFICES

Curated art solutions that inspire creativity, reflect brand identity, and elevate the workplace experience.

OUR SERVICES

1. Art Concept Development

- Align art concepts with the company's culture, mission, and brand values.
- Develop thematic narratives that promote innovation, collaboration, and well-being.

2. Artwork Sourcing & Curation

- Source from art fairs, galleries, independent artists, and private collections.
- Commission works tailored to scale and office flow — e.g., statement pieces in reception areas, energizing works in meeting rooms, or inspiring photography in open workspaces.
- Curate collections that motivate employees and impress clients.

4. Project Management

- Logistics, shipping, and installation with minimal disruption to office operations.
- Placement to complement lighting, layout and employee workflow.
- Recommend framing, mounting, and finishes that are durable and professional.
- Manage budgets and timelines for all art-related elements.
- Rotating exhibitions and events.
