

Hello, my name is Davey Hare, and I have been your State Council Chaplain for several years now and haven't officially introduced myself. I was born and raised in Pinopolis, SC. I joined the Navy Seabees in 1968 and spent my first tour of duty in Vietnam in 1969. My second tour was in Guam in 1970. Then with troop cutbacks I was given the opportunity of an early release, which I took in 1970. I have been a member of American Legion Post 126 since 1971, a member of VFW Post 9509 since 1996, and joined VVA Chapter 780 in 2015. I have held many positions in the past but have felt led to be a Chaplain in all three organizations. I am currently post & district Chaplain for the Legion; post, past district, & past state Chaplain for the VFW; and am chapter & state council Chaplain for the VVA. I have spread myself a little thin but feel that I can still serve you and the Lord in what I do.

How can we help each other? First, I need to give you contact information so that we can communicate the needs of your chapters. My name, address, email, home and cell phone numbers are listed below, so that you can contact me. Secondly, I need information from you on the needs of your members. I have done many funeral services in the past, and depending on the circumstances, may be available to perform those services, for those who do not have a church home or pastor.

If you call me, please leave a message, as I don't answer my phone all the time. Thanks.
