- 1 You EARNED the Right; others can't, to the PRIDE of being VN Vet

There are many of us out there who have not joined in. The window is closing, that is time is running out for all of us. It is always nice to meet up with a Vet who has seen the things and places you have. It could be serving at the same base, or on a ship, or on patrol. Even in the same Division or Battalion. By the way, joining means coming to a meeting once in a while, not just being a statistic.
