

Master Public Safety Diver

UCI has the **ONLY** Master Public Safety Diver certification in the world. To qualify, public safety divers must go through all our training. The purpose of the PADI Master Public Safety Diver Specialty course is to bring together all the skills and knowledge the students have obtained after completing the PADI Public Safety Diver and Advanced Public Safety courses and the PADI Underwater Criminal Investigator course, UCI Body Recovery Specialist course, UCI Evidence Recovery Specialist course, UCI Vehicle Recovery Specialist course, UCI Metal Detector Specialist course and Master Underwater Criminal Investigator certification.

The prerequisites are:

- PADI Rescue Diver/Equivalent
- PADI Public Safety Diver
- Advanced Public Safety Diver
- Full-face Mask Diver
- Dry Suit Diver
- Underwater Criminal Investigator
- Body Recovery Specialist
- Vehicle Recovery Specialist
- Evidence Recovery Specialist
- CSI Metal Detector Specialist
- Master Underwater Criminal Investigator

Becoming certified as a Master Public Safety Diver should be the ultimate goal for every Public Safety Diver. Obtain recognition through UCI as well as PADI!
