

Radon Levels in SC Homes

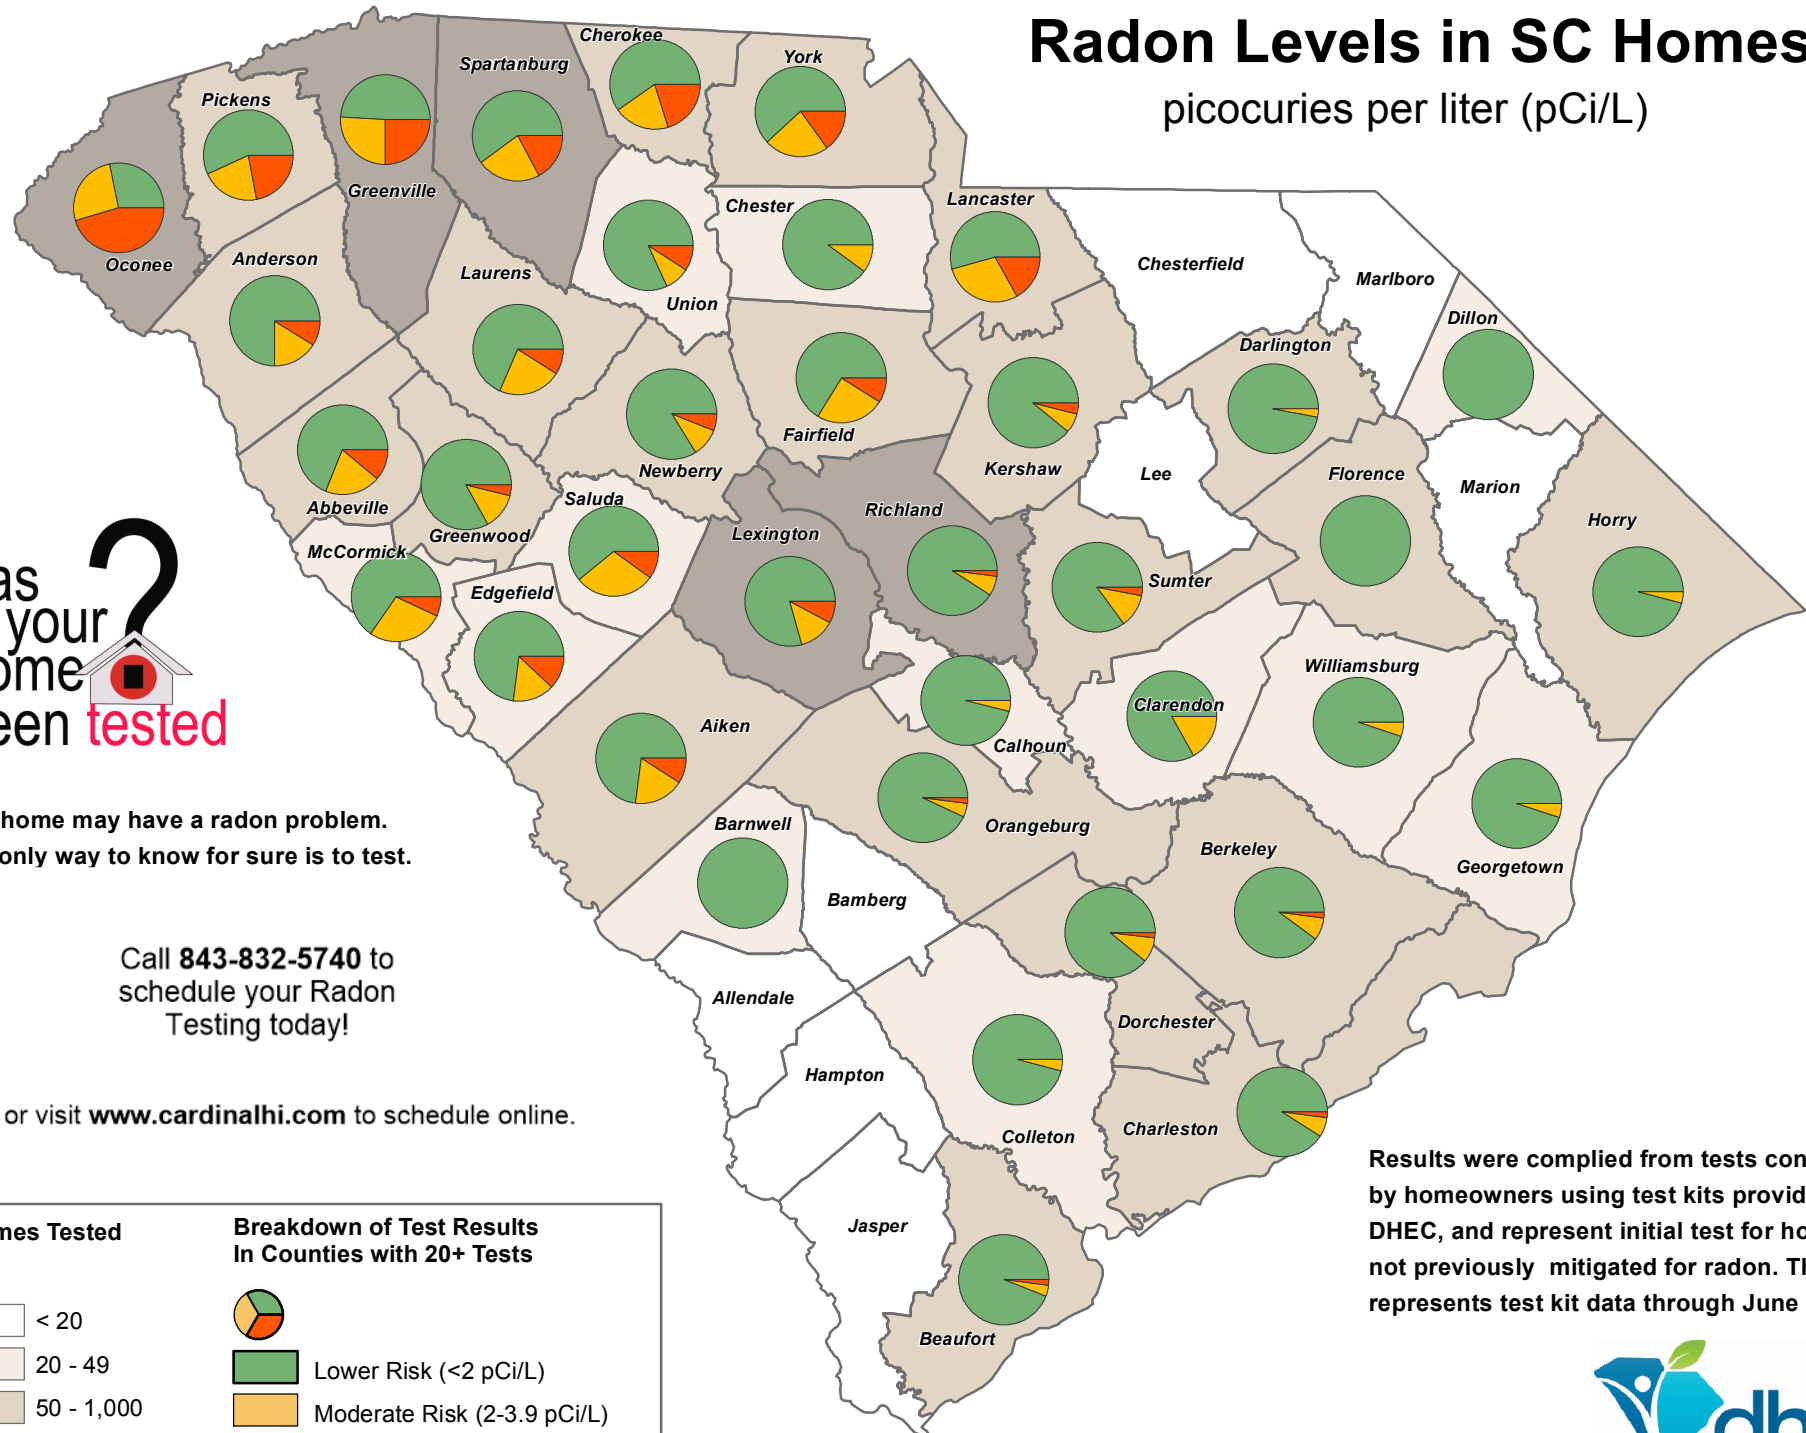

picocuries per liter (pCi/L)

Any home may have a radon problem.
The only way to know for sure is to test.

Call **843-832-5740** to
schedule your Radon
Testing today!

or visit www.cardinalhi.com to schedule online.

Results were compiled from tests conducted by homeowners using test kits provided by DHEC, and represent initial test for homes not previously mitigated for radon. This map represents test kit data through June 30, 2022.
