

In a hundred lives and lifetimes,

I would still pick you.

If I could choose any life,

I would pick one with you.

To know true love,

I can only know it with you.

As different as we may be,

Like a lock and key,

Each needs the other.

The edges are blurry,

We have become whole.

Memories seem to only exist with you.

Love is easy with you.

Even through life's challenges,

I would still choose you.

Age has found us;

Yet even my youth exists within you.

I have been truly blessed to have you as my partner.

I am thankful for our life,

Our love.

Our genuine, unexplainable love.

Love always,

Ashley, CB
