During this last year many of us have been reminded to pause and appreciate the gift of health, community, and choices. If the rink is a place you have found to be part of that for which you are grateful, a donation to *Sheridan On Skates* will make it possible for us to continue to serve the public and make sure all who wish to give skating and playing a try, may do so with safe gear and help with financial gap if their circumstances are such.

Thank you and hope to see you at the Rink!

Warm Regards,

Charley Whiton
