Adult Hockey Programs - Registration is October 7th and 8th at the Rink (3:00-6:00pm)

Sunday Co-Ed League, Old Puckers, Early Risers Hockey, Men's League and Novice are Rink Programs that require registration and proper skill levels to join. If you register in one or more programs you are allowed access to Stick and Puck times all season long. Season is early November thru March

Sunday Co-Ed League is a Co-Ed league with a variety of skill levels from intermediate and up. The teams are formed at the beginning of the season and scheduled games are on Sunday aft/evenings. This program is not for novice players.

Old Puckers Hockey is a noon hour drop-in format on Tues/Thurs at 11:30am for players that are 40 years and over, players need to register to play. This program is not for novice players.

Early Risers Hockey is a 6am Drop-in format on Tues/Thurs mornings for intermediate players and up, that want to play before work. Past Novice players may attend but must have the fundamentals to be able to safely play at a higher pace.

Men's League (Women players are welcome to play) is an intermediate to advanced league. The teams are formed at the beginning of the season and scheduled games are on Tuesday and Thursday nights at 9:30pm.
This program is not for novice players.

Novice Hockey is an Adult Learn to Play program on Sundays at 2:45pm and is intended to help you learn the game or brush up if you haven't played for many years. Novice players must be evaluated before they are eligible to join leagues or play drop-in games the next season, for obvious safety reasons. Some skating experience is a big plus! Gear is also available to rent if needed.
