

CHDS COVID 19 PROTOCOLS (as of August 9, 2021)

Dane @ EMPIRE AC has installed the RGF PHI-CELL and RHEME HALO TECHNOLOGY in our HVAC units for the studio. This ensures the air handlers and air the students are breathing is continuously sanitized.

The following procedures have been implemented to ensure the safety and health of all our family members. We take your child's health and safety very seriously and want to ensure everyone feels safe while at the studio during these trying times. **We will amend this document as needed to meet the growing needs required by this illness.**

- 1 – NO Parents allowed in Studio. DROP OFF ONLY
- 2 – Children will be greeted at the door and are required to already have a mask in place covering both mouth and nose.
- 3 – Once a child has been cleared to enter the studio, they must maintain their mask covering on both their mouth and nose and go straight to their designated studio.
- 4 – Each studio has limited children spaced appropriately apart from each other.
Parents also have the option to keep their child on zoom at all times and not attend live classes.
- 5 – Bathroom use limited to 1 at a time, no congregating near the bathroom will be allowed
- 6 – Front Door will be locked at all times, if a parent or potential new family member comes to inquire at the studio, Staff Member will speak with the person(s) outside on the boardwalk.
- 7 – The children will go into the lobby of the studio with the teacher to take mask and water breaks as needed while maintaining appropriate distancing.
- 8 – During the student break time, Staff Member will wipe down all areas within the studio with sanitizer.
- 9 – Throughout the afternoon/evening, Staff Member will continuously sanitize the lobby and bathrooms.
- 10 – Children should have additional masks with them for use if needed.
- 11 – The students will not be permitted physical contact with one another.
