

Dear Friends,

Becky, Chauncey, Tatymn and I would like to welcome you all to our 25th annual Charolais and Red Angus Bull Sale. My Grandfather Warren Hannah held sales in the 60's, 70's and 80's and it seems like a lifetime ago since we had our first sale in Huron at Bales CCC. I am really pleased with the quality we have to offer this year and think they are as good a set as we have ever had. There is a ton of performance and eye appeal in this group of yearling bulls. We are also offering a select group of yearling commercial Red Angus and halfblood Charolais/Red Angus heifers that are going to go out and make top notch cows.

I said it last year and I will say it again, we are at a time that we have never experienced before in the cattle industry. Record prices being offered for both feeder and slaughter cattle along with increasing demand for USA beef make it an exciting time to be in the cow business. A record low inventory in the US cow herd and low numbers of replacement females being retained mean that these prices will most likely be around for some time.

Typical in South Dakota is the non typical weather and growing conditions from one year to the next. All in all we experienced a pretty good growing season with plentiful grass and adequate water. June was excessively wet but by the August the grass had hardened up and the calves really started to pop. The bulls were weaned on October 17 and as always, they were developed on a high roughage ration that focusses on rumen development and soundness of feet and legs.

Pounds pay, and the easiest way to get pounds for nothing is heterosis. Charolais cattle have as much to offer in this category as any breed out there. Breed identity is becoming more of a thing and when order buyers are looking at silver and buckskin colored calves, they know they are looking at Charolais. I have really started to notice the Charolais cross feeder calves bringing a premium at the sales this winter.

Red Angus feeder cattle have been topping sales all over the country and more than ever, the Red Angus females are in high demand. In this set of bulls you are going to find a set of heifer safe bulls along with some power bulls that will work excellent on a group of red or crossbred cows.

Again this year we are going to have our sale in Carthage SD at the community center on Main Street. I felt that this was a lot easier on the bulls and more comfortable for the buyers. The sale will be a video format and will be broadcast on DVAuction. Videos and our catalog will be posted on the DVAuction website or go to www.driscollcattlecompany.com. Come look at the bulls any time at our place. The weekend prior to the sale and the morning of the sale, we will have the bulls penned in smaller groups to make it easier to view them. Feel free to call me any time to discuss the bulls or stop by and take a look at the offering. We hope to see you all on Monday, March 24th in Carthage SD.

Thank you very much for your interest!

Registration: Buyers requiring registration papers must leave notice with us following the sale and papers will be furnished free of charge.

Health: Health papers will be furnished at delivery if needed. The yearling bulls will be semen tested and given a prebreeding vaccination after the sale. The heifers have been had a prebreeding vaccination along with bangs and have been palpated for breeding soundness.

Additional Information: Scrotal measurements and Yearling weights will be available sale day.

Breeding guarantee: All bulls are guaranteed breeders. Any bull that has proven himself not to be a breeder within 6 months of the sale, if in healthy condition, may be returned to the seller at the buyers expense. After which, the seller reserves the right to prove the bull a breeder within the following six months. Should the bull fail to prove himself, the seller shall issue the buyer credit towards the purchase of another bull in full settlement. We do not assume liability to an injury or act of God, but will work with the purchaser to find a suitable replacement.

Accidents and liabilities: All persons attending this sale do so at their own risk, the seller or sales management assume no liability, legal or otherwise, occurring in, on, or around the premises.

Bids: Each bull on which there are two or more bids will be sold to the highest bidder. All decisions made by the auctioneer will be final.

Delivery: We will assist in delivery to anywhere in the country. We would like to have the bulls delivered during the month of April but other arrangements can be made. We would like to make arrangements with the heifer buyers to have them picked up as soon as possible.

Sale format: The sale will be a live video format with live and internet bidding presented on DVAuction. The bulls will be penned in smaller groups the weekend and morning of the sale at our place for viewing and the auction will be held at the Carthage Community Center on Main Street Carthage, SD. Please contact me about registering to bid online or call DVAuction at (402)316-5460. If you would like to come earlier to see the bulls, feel free to contact me any time.

Here is a half Akaushi half char/red angus bull. The Akaushi's are a Japanese breed similar to Wagyu only red in color. If you are selling locker beef or trying to hit prime with your carcasses, this guy will really enhance the marbling in his calves.

This year we will be offering a hand selected group of Red Angus Breeding Heifers. There will be 50 Red Angus Heifers and 6 Red Angus x Charolais Heifers.

Heifers will be check weighed prior to the sale and palpated for breeding soundness. They will be vaccinated with Bovi-Shield Gold FP5 VL5 and will be ready to breed. They will be sold gate cut and offered in groups of 5 head. The high bidder has the right to take as many as they want.
