

Sales Report

The sales report reflects all transactions for the troop in the system. It includes the initial order, any additional orders, deposits and the calculation for troop profit, council monies and balance due. Gift of Caring/Donation cookies will automatically populate on the sales report from the girl order tab.

We have now secured the display of the bank account and routing numbers. These numbers will be hashed out as a default. Council can designate specific users that may see the full numbers.
