WHO CAN NOMINATE?

Nominations can be submitted by anyone OTHER than the nominee. This includes but is not limited to GSNENY council staff, GSNENY volunteers, Girl Scout family members, and Girl Scouts. The person submitting the nomination does not need to be a registered member of Girl Scouts. Before you nominate a volunteer, refer to the list of recognitions in this handbook to review the descriptions and requirements. Then, complete and submit the online Jotform nomination form. All nominations must be submitted electronically, paper submissions will not be accepted. Late submissions will not be considered for recognition in 2026.

Pro Tip: it's not all on you! Recruit other to complete and submit nomination forms!

Some awards require multiple endorsement letters. When needed, multiple Jotform submissions for a nominee to receive an award will be required from different nominators. Endorsement letters should speak specifically to the criteria for the recognition the volunteer is being nominated for using specific examples and measurable outcomes.

HOW TO NOMINATE?

- 1** Choose the recognition that best matches the outstanding contributions of the nominee
- 2** Recruit others to complete and submit the required number of nomination forms for the award for the nominee.
- 3** Complete the JotForm nomination submission for the nominee. You will receive an email confirmation after each submission.

While you can nominate multiple people for awards, each nominee requires their own nomination form to be completed separately. Each endorsement letter requires a separate JotForm submission.

HOW THE NOMINATION PROCESS WORKS

All nominations are reviewed, and awards status is determined by the GSNENY Volunteer Services Department and/or select committee members, unless otherwise noted. This group of individuals prioritizes service impact, meaning more weight is given to results rather than years in a position (although it often takes some time in a position before the person can achieve truly outstanding results).

The group review each nomination and endorsement and compare the information presented about the volunteer with the criteria established for each recognition. Upon review, they will:

- ✿ Approve the candidate for a nominated recognition OR,
- ✿ Approve the candidate for a different recognition OR,
- ✿ Deny the nomination. In a case where there is no indication given that the candidate's service met the criteria, the nomination could be denied.

Approved nominees for Council-level and GSUSA-level recognitions will be awarded at the GSNENY annual Volunteer Appreciation Dinner in April 2026. Each approved nominee will be notified via email that they have been approved for an award but will not find out which award until it is presented.

For the award recipients unable to attend the Volunteer Appreciation dinner, all recognitions will be provided to their Service Unit Managers, or available for pickup at one of our Service Centers after the Volunteer Appreciation Dinners have concluded.

RECEIVING YOUR AWARD

Approved nominees for Council-level and GSUSA-level recognitions will be awarded at the GSNENY annual Volunteer Appreciation Dinners in April 2026. Each approved nominee will be notified via email that they have been approved for an award but will not find out which award until it is presented.

For the award recipients unable to attend the Volunteer Appreciation dinner, all recognitions will be provided to their Service Unit Managers, or available for pickup at one of our Service Centers after the Volunteer Appreciation Dinners have concluded.

HOW TO WRITE A STRONG NOMINATION

The Volunteer Recognitions rely heavily on the content received. Use this chart to convert a statement into the strongest nomination for review.

Initial Statement

Thoughtfully Consider

Strong Nomination Statement

“She has been a leader for a long time.”

**How many years?
Through which levels?**

“For 11 years, she has led a large troop from Daisies, persevering through the challenging middle school years, to their current Senior Troop.”

“Our Leader is Great!”

What kind of leadership qualities do they bring? What makes them stand out?

“Our leader continually brings leadership opportunities to the girls. They support a girl-led approach by encouraging girls to vote on and implement their activities.”

“Our Leader always goes above and beyond”

Be specific! Tell a story about the great benefits received by those around them due to their efforts.

“Her troop voted to start the aMuse Journey. Because she never considered herself a “creative soul” when it came to artistic endeavors, she recruited troop parents, artists, and actors as resources for her girls to draw from. As a result, the girls had a great time meeting community experts and discovering parent talent in their own troop! They now have several opportunities for Take Action projects.”

“One cannot manufacture confidence, but one can inspire it.”
