

# QUAYE & FREUND FOR SUPERVISORS

## A Peaceful and Prosperous Moon Township

## Our Mission

### **Create a safe and happy environment for families to thrive**

We will to create a community where your family feels safe, connected, and proud to live. We will support first responders, invest in parks and public spaces, and encourage family-focused initiatives—so you and your loved ones can thrive in every season of life.

### **Improve traffic flow and enhance transportation infrastructure.**

We envision the improvement of traffic flow to make your daily travel safer and more efficient. By addressing problem areas, planning smart infrastructure updates, and reducing congestion, we aim to make getting around Moon Township easier for everyone.

### **Promote development and attract businesses that strengthen economy and community.**

We aspire to welcome new businesses and guide thoughtful development that brings jobs, services, and energy to Moon Township. You deserve a vibrant, balanced community where you can live, work, and shop locally—without losing the small-town charm you love.

### **Keep taxes low while maintaining the high-quality services**

We hope to keep your taxes low while protecting the quality services that matter most to you. Through careful planning and responsible spending, we'll make sure Moon Township grows in a way that supports your family—without adding to your financial burden.

# Al Quaye

*A Peaceful and Prosperous Moon Township*

## About Me

 **Moon Area Residency**  
Moon Township resident for over 30 years.

 **Family**  
Wife, Jeaneen, kids Rachel & Michael

 **Education**  
Moon Area High School. Class of '84.  
B.S. Mechanical Engineering from  
Case Western Reserve University.  
MBA from Carnegie Mellon  
University.

 **Employment**  
Owner of a small software company  
that engages in proximity  
marketing and customer contact

 **Hobbies**  
Enjoys spending quality time with his  
family and engaging in physical activities  
such as skiing, boxing, weightlifting,  
swimming and bike riding.

## Why Am I Running?

✓ I care deeply about the community where I was raised, educated, and am now raising a family of my own. I envision a township where families feel safe, supported, and proud to live—one that balances smart development with strong community values. I want to continue building on my service to the township by addressing critical issues such as traffic flow, economic development, and maintaining low taxes, all while preserving the character and livability of Moon.

## What Can I Bring to the Position?

✓ I bring a unique blend of leadership, technical expertise, and real-world experience to the role. As a former U.S. Army Captain, I understand the value of discipline, service, and teamwork. My professional background in engineering and business—coupled with my experience running a small software company—gives me a strategic and solutions-focused mindset. Already serving on the Board of Supervisors, I offer both continuity and a forward-thinking perspective, ready to lead Moon Township with integrity, innovation, and a strong commitment to its residents.

swimming and eating!!

## Why Am I Running?

I believe in giving back to the community where me and my family live, work, and thrive. As a dedicated public servant already serving as Judge of Elections for District 9, I am ready to expand my role and help shape the future of Moon Township. I am committed to fostering a safe, vibrant, and well-managed community—one that supports families, attracts businesses, and promotes smart, sustainable growth. I want to ensure that Moon remains a great place to live for generations to come by bringing responsible leadership and fresh ideas to the table.

## What Can I Bring to the Position?

I feel like I bring a wealth of legal expertise, leadership experience, and community involvement to the role of Township Supervisor. With a J.D. from Duquesne University's Kline School of Law and a career focused on energy and mineral law at the respected firm Steptoe & Johnson, I understand the complexities of regulation, negotiation, and strategic planning. I serve in leadership roles with several regional legal and charitable organizations, earning recognition in The Best Lawyers in America® for my work. My analytical skills, professional integrity, and commitment to public service make me a strong advocate for the residents of Moon Township.
