

*Healthy &
tasty to Shrimp*

Vet Win
Aqua Division

VINSTAR-C

EACH GRAM CONTAINS 500MG OF COATED ASCORBIC ACID

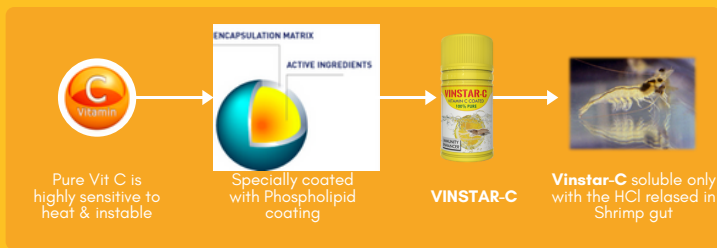

ENHANCE IMMUNITY IN YOUR SHRIMP...

Prevents Early Mortality and Improves Disease Resistance

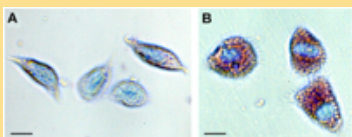

STRENGTHENS THE MOTTO: "PREVENTION IS BETTER THAN CURE"

Ascorbic acid is a vital co-factor in the hydroxylation of proline to hydroxyproline - a precursor of collagen (the structural support tissue). A deficiency of ascorbic acid therefore results in an impaired collagen metabolism

**WHY
VINSTAR-C
YIELDS
FANTASTIC
RESULTS...**

BENEFITS

Increases number of blood cells
(heamocytes)

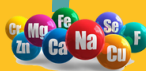

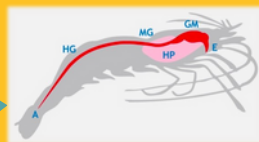

Reduces
Black deaths

Reduces
**Scurvy
deformities**

Heals Wounds

Forms
Shell CHITIN

**Promotes Gut Walls to
Absorb the "Minerals
Present in the Feed"**

BENEFITS:

- Improves Immunity power of the animal
- Improves FCR and growth rate
- Detoxifies toxic materials and improves health
- Reduces stress and promote wound healing
- Avoid black deaths and promotes healthy molting
- Promotes Calcium absorption and inturn avoids skeletal deformities
- Enhances resistance against diseases and reduces mortality.

DOSAGE:

5-10gm per kg of feed.
Take advice of an aqua consultant.

APPLICATION:

Mix the required quantity of **VINSTAR-C** with the pellet feed using bind gel. Effective when used with VETWIN's **WINDOL**
