What are the Benefits of being an "Official Southern Gear Head?"

Most importantly, you get to be apart of THE coolest, MOST well known and most HIGHLY respected car club in South Georgia. We have a great time hanging out, talking about all things Cars, truck and whatever BUT we also work hard to give back to the community that supports us!

In addition, you get to be front and center to all of the HUGE events that we put on throughout the year and will be informed constantly of ALL the other events that go on throughout the state. We support ALL local car clubs and work together ALOT to make things happen and get things done. We may have different opinions about what's COOL but we all agree when it comes to community support.

Finally... you get an AWESOME FREE club shirt to show off at all the events and anytime you want to represent, Discounts at partner local businesses such as O'Reillys, Auto Zone, Etc.... and THE BEST benefit is you get to hang out with some SUPER nice folks that LOVE to talk about cars!!
