

CHECK LIST

We are so excited to welcome you to Brooklyn Canine Club™. Please use this checklist to prepare for your first visit to The Club.

- **Client Enrollment Form**
 - Completed, signed and sent to us prior to your first day of daycare.
- **Proof of vaccination for Rabies, Distemper/Parvovirus (DA2 +CPV), and Bordetella**
 - Please have your vet send us these records via email info@brooklyncanineclub.com or fax to 718-745-5700
 - Please confirm we have received records prior to your first day.
 - Note: NYS Law requires dogs in daycare facilities receive Bordetella vaccination every 6 months. Please consult with your vet as some vets only administer once a year.
- **Schedule a Temperament Test**
 - Every dog must have a temperament test done prior to their first day of play. We suggest that parents are not present to help ease integration.
- **Proof of NYS Dog License**
 - New York State law requires that all dog owners license their dogs, and the New York City Health Code requires that dog owners attach the license tag to their dog's collars while in public. Dog owners may be fined for violation of these laws.
 - Didn't get your dog license yet from NYC? No worries—we've partnered with NYC DOH and provide dog licenses at the same price charged by NYC. And the best part is that you receive your tag the same day

Additional Notes:

- Please bring a flat collar or harness and leash. We do not accept dogs that require metal choke, prong, electric shock or flea collars.
- Please allow your dog to eliminate prior to dropping off at Brooklyn Canine Club.
- We recommend feeding your dog his usual diet at home.
- We accept cash, Visa, Mastercard, American Express, and Discover as forms of payment.
- We LOVE all dogs in all shapes and sizes. Acceptance is based on dog temperament and ability to get along with other BCC members.

We look forward to getting to know your best friend. Please do not hesitate to call 718-745-5400 or email info@brooklyncanineclub.com for further assistance.
