#### 4. RESUBDIVISION

4.1. Re-subdivision. Units may not be subdivided or separated into smaller Units. No portion of a Unit may be separately conveyed. However, this provision shall not prohibit corrective deeds or similar corrective instruments. The Declarant shall have the right to modify the Plat to make adjustments to Unit boundary lines with consent only of those Owners whose Unit boundaries are to be changed.

#### 5. MEMBERSHIP AND VOTING RIGHTS

5.1. Membership. Every Owner of a Unit shall become a Member of the Association. If title to a Unit is held by more than one Person, each such Person is a Member. An Owner of more than one Unit is entitled to one membership for each Unit owned (subject to Section 5.3 below). Each membership is appurtenant to the Unit upon which it is based and is transferred automatically by conveyance of title. No person other than an Owner may be a Member of the Association, and membership in the Association may not be transferred except by the transfer of title to a Unit.

5.2. Voting. The Association shall have two classes of membership: Class A and Class B. So long as there is Class B membership, Class A members are all Owners except Declarant. The Class B member shall be the Declarant. Upon termination of Class B

membership, as provided below, Class A members are all Owners, including Declarant so long as Declarant is an Owner.

5.2.1. The Class B Member shall be entitled to ten votes for each Unit owned. Class A Members shall be entitled to cast one vote for each Unit owned (and in the case of Units which have been consolidated with other Units or partial Units pursuant to the provisions herein set forth, voting rights for such consolidated Unit(s) shall be adjusted upwards in proportion to the increase in size by virtue of such consolidation).

5.2.2. The Class B member is entitled to elect the Board of Directors until the termination of the Class B membership.

5.2.3. No Person holding title to a Unit as security for a debt or obligation shall be considered as Owner of such Unit. Such Person shall not be entitled to membership in the Association nor to cast a vote on any question or matter affecting the administration of the Association, except as otherwise provided herein.

5.3. Co-Ownership. If more than one Person owns an interest in any Unit, or if more than one Person owns separate portions of a Unit, all such Persons are Members; but there may be only one vote in the aggregate cast with respect to each such entire Unit. Such vote may be exercised as the co-Owners determine among themselves; but no split vote is permitted among co-Owners. Prior to any meeting at which a vote is to be taken, each co-Owner must file the name of the voting co-Owner with the secretary of the Association to be entitled to vote at such meeting, unless such co-Owners have filed a general voting authority with the Secretary applicable to all votes until rescinded. Notwithstanding the foregoing, if title to any Unit is held jointly by a husband and wife, either spouse is entitled to cast the vote for such Unit unless and until the Association is notified by either spouse otherwise in writing.

5.4. Class B Termination. The Class B membership will terminate and convert automatically to Class A membership (to the extent the Declarant then owns Units) ("Turnover") upon the happening of any of the following, whichever occurs first:

5.4.1. Three months after Declarant conveys to Members (other than any successor Declarant, developers, builders, contractors or others who purchase a Unit for the purpose of constructing improvements thereon for resale), all its rights, title and interests to ninety percent (90%) of the total platted Units.

5.4.2. Five (5) years from the date of the conveyance of the first Unit; or

5.4.3. The decision of Declarant to convert to Class A membership.

Upon termination of the Class B membership, all provisions of this Declaration, Articles, or By-Laws referring to Class B membership will be obsolete and without further force or effect, including any provision requiring voting by classes of membership. However, notwithstanding the termination of the Class B membership, Declarant may, at its option, in place of voting its Class A membership votes for the election of the Board of Directors, appoint one of the Directors to the Board of Directors, so long as Declarant holds for sale in the ordinary course of business at least one Unit in the Property. If Directors are being elected for different terms, the Declarant shall be entitled to appoint a Director who will sit for the longest term being offered.

5.5. Voting. At every meeting of the Members, each of the Members shall have the right to cast his vote on each question. The vote of the Members representing a fifty-one percent (51%) majority of the total votes cast with respect to any question, in person or by proxy, shall decide any question brought before such meeting, unless the question is one upon which, by express provisions of statute or of the corporate Articles, or this Declaration, or of the By-Laws, a different vote is required, in which case such express provision shall govern and control. The vote by any member whose Unit is owned by more than one Person may be exercised by any of such Persons present at any meeting unless an objection or protest by any other Owner of such Unit is noted at that meeting. In the event all of the co-Owners of any membership who are present at any meeting of the Members are unable to agree on the manner in which the vote for such membership shall be cast on any particular question, then such vote shall not be counted for purposes of deciding that question. No Member shall be eligible to vote, either in person or by proxy, or to be elected to the Board of Directors, who is shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association.

5.6. Proxies. A Member may appoint any other Member, the Declarant, or any other Person permitted by law or by the By-Laws as his proxy. In no case may any Member (except the Declarant) cast more than one vote by proxy in addition to his own vote. Any proxy must be in writing and must comply with all requirements imposed by law or by the Association's By-Laws.

5.7. Quorum. The presence, either in person or by proxy, of Members representing at least fifty-one percent (51%) of the total votes entitled to be cast with respect to any question, shall be requisite for, and shall constitute a quorum for the transaction of business at all meetings of the Members. If the number of Members at a meeting drops below the quorum and the question of a lack of a quorum is raised, no business may thereafter be transacted, other than to adjourn the meeting.

## 6. COVENANTS FOR MAINTENANCE ASSESSMENTS

6.1. Each Unit is subject to Assessments by the Association for the improvement, maintenance, and operation of the Common Property, including the management and administration of the Association and furnishing of services as set forth in this Declaration. General Assessments (which include Annual Assessments and Special Assessments), shall be assessed equally to each Unit, except that Declarant shall not be required to pay any General Assessment, whether annual or special, for Units that it owns and are unoccupied. The furnishing of a model Dwelling for sales display purposes shall not cause the Unit to be considered as having been occupied for assessment purposes. Until the Declarant shall elect to pay annual assessments on Units, which have not been conveyed by the Declarant to others, to the extent that the revenue received from annual assessments is not adequate to pay the expenses of the Association, the Declarant shall pay the difference between such revenue and expense.

In the event Units are consolidated with other Units (or partial Units), Assessments shall thereafter be imposed against any such consolidated Unit in proportion to the increase in size by virtue of the consolidation.

The Board shall set the date or dates all Assessments shall become due and may provide for collection of any Assessment annually, or in monthly, quarterly, or semiannual installments.

Upon default in the payment of any one or more installments, the Board may accelerate the entire balance of that Assessment, which shall be declared due and payable in full.

6.2. Purposes of Assessments. The assessments levied by the Association shall be used:

6.2.1. to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvements and maintenance of the Common Property;

6.2.2. to fulfill the responsibility of the Association as described in this Declaration, the Articles of Incorporation, the By-Laws, and the ARB Guidelines; and

6.2.3. to fulfill the responsibilities of the Association as may relate to the wastewater collection system, drainage system, and storm water management system arising as a result of any agreement with or requirement of Walton County, the State of Florida, or Walton County Water & Sewer, their successors or assigns.

6.3. Budget.

6.3.1. Fiscal Year. This fiscal year of the Association shall consist of the twelve-month period beginning of January 1 of each year and terminating on December 31 of that year.

6.3.2. Initial Budget. Declarant shall determine the budget for the fiscal year in which a Unit is first conveyed to an Owner other than Declarant.

6.3.3. Preparation and Approval of Annual Budget. Beginning with the year in which a Unit is first conveyed to an Owner other than Declarant and each year thereafter, on or before December 1, the Board shall adopt a budget for the coming year containing an estimate of the total expenses to be incurred by the Association in carrying out its responsibilities (the "Annual Budget"). Such expenses shall include, without limitation, the cost of wages, materials, insurance premiums, services, supplies, and other expenses for the rendering of all services required under this Declaration, and shall also include reasonable amounts, as determined by the Board, for working capital for the Association and for reserves. The Board shall also contract for the maintenance of all of the pools on the Units as well as for the maintenance of the Common Property, including the landscape areas. The Board shall also have the right to contract with association management company(s) for the management of the Common Property. On or before December 15, preceding the fiscal year to which the budget applies, the Board shall send to each Owner a copy of the budget in general itemized form setting forth the amount of assessments payable by each Owner. Such budget shall constitute the basis for determining each Owner's Annual Assessment.

6.3.4. Reserves. The Board shall build up and maintain adequate reserves for working capital, contingencies, and replacement, which shall be included in the budget and collected as part of the Annual Assessment. Extraordinary expenditures not originally included in the annual budget, which may become necessary during the year shall be charged first against such reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by a majority vote of the Members. If the reserves are inadequate for any

reason, including nonpayment of any Owner's assessment, the Board may at any time levy a Special Assessment in accordance with the provisions of this Article.

6.3.5. Effect of Failure to Prepare or Adopt Annual Budget. The failure or delay of the Board to prepare or adopt an Annual Budget for any fiscal year shall not constitute a waiver or release in any manner of an Owner's obligation to pay General Assessments whenever the amount of such assessments is finally determined. In the absence of an Annual Budget, each Owner shall continue to pay the assessment at the then existing rate established for the previous fiscal period in the manner such payment was previously due until notified otherwise.

6.4. Annual Assessment. Annual Assessments shall begin on the day of conveyance of the first Unit to an Owner other than Declarant. The initial assessment on any Unit subject to assessment shall be collected at the time title to such Unit is conveyed to the Owner. During the initial year of ownership, each Owner shall be responsible for the pro rata share of the annual or special General Assessment charged to each parcel, prorated to the day of closing based upon a thirty (30) day month.

The Board, by majority vote, shall set the Annual Assessment at a level sufficient to meet the Association's obligations, based upon that year's Annual Budget.

6.5. Special Assessment.

6.5.1. By Meeting. In addition to the Annual Assessment, the Association may levy in any assessment year a Special Assessment applicable to that year and not more than the next five succeeding years. Special Assessments shall be for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Areas and Easement Areas, including fixtures and personal property related thereto. Any Special Assessment must have the assent of the Board, the Class B Member and of two-thirds (2/3) of the votes of the Class A Members voting in person or by proxy at a regular meeting or special meeting duly called for that purpose. Written notice of any such special meeting shall be sent to all members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. If the required Quorum is not present, another meeting may be called, subject to the same notice and Quorum requirements.

6.5.2. Emergency Assessment. The Association may levy an Emergency Special Assessment at any time by a unanimous vote of the Board. Such Emergency Special Assessment may be for the purpose of defraying, in whole or in part, the cost of any unusual or emergency matters that affect all of the Common Property or all of the Members of the Association (including, after depletion of reserves, any unexpected expenditures not provided by the budget or unanticipated increases in the amounts budgeted). Any Emergency Special Assessment shall be due and payable at the time and in the manner specified by the Board.

6.6. Individual Assessments. The Association may levy at any time an Individual Assessment against a particular Unit. Such Individual Assessment shall be for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an improvement upon the specific Unit, other special services to such Unit such as grounds maintenance or any other charges designated in this Declaration as

appropriate for an Individual Assessment. The Association may levy at any time an Individual Assessment against a particular Unit for repair, restoration or maintenance of any Common Property, necessitated by neglect or the willful or negligent act of the Owner, his family, guests, tenants, invitees, contractors, employees, or agents.

6.7. Capital Contribution. At the closing and transfer of title of each Unit to the first Owner other than Declarant, such Owner shall contribute two (2) months of Association dues to the Association. This contribution shall be used by the Association for the purpose of initial and nonrecurring capital expenses of the Association and for providing initial working capital for the Association and shall not be considered as a prepayment of assessments.

6.8. Non-Payment of Assessments. Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid on the date when due shall be deemed to be a Delinquent Assessment. Delinquent Assessments shall bear interest at the highest rate allowed by law, until paid in full. A late fee of \$25.00 per month will be due on all Delinquent Assessments. Delinquent Assessments, together with interest, late fees, and the cost of collection thereof, shall immediately become a continuing lien upon the Unit or Units belonging to the Member against whom the Delinquent Assessment is levied. Such lien shall bind such Unit or Units in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the Member to pay such assessment shall remain his personal obligation for the statutory period. A suit to recover a money judgment for non-payment of any assessment or installment levied may be maintained without foreclosing or waiving the lien herein and by any statute created to secure the same.

6.8.1. The Association may bring an action at law against the Member personally obligated to pay the Delinquent Assessment, or foreclose the lien against the Unit or Units subject to prior mortgages or deeds of trust upon the Unit or Units, then belonging to said Member. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common area or abandonment of his Unit.

6.8.2. For the purpose of enforcing the lien of any unpaid and delinquent assessment, each Unit Owner grants the Board of Directors of the Association irrevocably the power to sell his unit at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such a public sale if and only if such sale is made subordinate to any prior recorded mortgage or Deed of Trust upon the Unit. The Association is hereby authorized to take any and all courses of action available to it for collection of the Delinquent Assessment that the laws of the State of Florida will allow. Any sale of a Unit to enforce a lien for Delinquent Assessments shall be free from all rights of redemption, (both equitable and statutory) homestead, and dower and all other exemptions, all of which are expressly waived by the Unit Owners. Any such sale and the lien enforced thereby shall take precedence over and have priority over any and all other liens of every nature against the Unit, except real estate and ad valorem taxes assessed against the Unit and the recorded first mortgage. The proceeds of any such sale, whether under the power of sale or by foreclosure suit, shall be applied:

6.8.2.1. first to the payment of the expenses of sale or litigation, attorneys' fees, and sales commission;

6.8.2.2. second, to the payment of real estate and ad valorem taxes assessed against the Unit and any prior recorded or preferred mortgages or deeds of trust;

6.8.2.3. third, to the payment of all amounts due the Association; and

6.8.2.4. the balance, if any, to the Unit Owner whose Unit is sold, or to his assigns.

6.8.3. Upon any default in the payment of any Assessment, the Board of Directors shall have the right to all rents, issues and profits from the Unit in default; to secure the payment through notice to those in possession of the Unit; or by entry into possession in the same manner as a mortgagee entering into possession following default.

6.8.4. All rights, remedies and privileges granted to the Board of Directors or a Unit Owner, pursuant to any terms, provisions and covenants or conditions of the Declaration and By-Laws shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be granted to such party by the Declaration and By-Laws or at law or in equity.

6.8.5. If the Association retains counsel or a collection agency to obtain payment of any sums due from a Member, then the agency fees and/or legal fees shall be included as part of its cost of collection.

6.8.6. The Association shall notify the holder of the first mortgage on any Unit for which any Assessment levied becomes delinquent for a period in excess of sixty (60) days and in any other case where the Owner of such Unit is in default with respect to the performance of any other obligation hereunder for a period in excess of sixty (60) days.

6.9. Personal Obligation. Any and all Assessments, together with any late fee, interest, and cost of collection when delinquent, including reasonable attorney fees, whether suit is brought, (collectively, the "Assessment Charge") shall be the personal obligation of the person or entity who was the Owner of such Unit at the time when the assessment was levied, and of each subsequent Owner. Each Owner of a Unit, by acceptance of a deed or other transfer document therefore, whether it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay the Association as applicable the assessments established or described in this Article.

6.10. Creation of Lien. The Assessment Charge shall also be charged on the land and shall be a continuing lien upon the parcel against which the Assessment Charge is made. This lien shall be in favor of the Association and shall be for the benefit of all Owners.

6.11. Owner's Acceptance. Each Owner, by acceptance of title to a Unit, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of the Assessment Charge as a debt. This includes enforcing the Assessment Charge by all methods available for the enforcement of liens, including foreclosure by an action brought in the name of the Association in a like manner as foreclosure of a mortgage lien on real property. Each Owner hereby expressly grants to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the Assessment Charge by non-use of the Common area or abandonment of his Unit.

6.12. Past Due Assessments Where Title Acquired By Foreclosure. Where the mortgagee of a first mortgage of record of a Unit obtains title to the Unit as a result of

foreclosure of the first mortgage, such acquirer of title, and his successors and assigns, shall be liable for the share of the common expenses or assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer as provided by Florida Law. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the Units including such acquirer, and his successors and assigns.

6.13. Other Remedies. The Association shall have the right to assess fines, suspend the voting rights and right to use of the Common Property by an Owner, for any period during which any assessment is Delinquent, and for a period not to exceed sixty (60) days for any infraction of the provisions of this Declaration.

6.14. Certificate of Payment. The treasurer of the Association or any other person or entity designated by the Board, upon demand of any Owner, shall furnish to such Owner a certificate in writing signed by a member of the Board setting forth whether any assessments are owed by that Owner. Such certificate, when co-signed by the secretary of the Association, shall be conclusive evidence of payment of any assessment therein stated to have been paid.

6.15. Accounts. Except as otherwise provided herein, all sums collected by the Board with respect to assessments of all types may be commingled in a single fund.

6.16. Real Estate Taxes. If the Common Property is taxed separately from the parcels, the Association shall include such taxes as part of the Annual Assessment. If the Common Property is taxed as a component of the value of the Unit owned by each Owner, then each Owner shall be obligated to promptly pay such taxes prior to them becoming a lien on the Common Property.

## 7. ARCHITECTURAL CONTROL

7.1. Construction Subject to Architectural Control. Except for those Residences and improvements constructed, erected or located by Declarant, no clearing, landscaping, construction, modification, alteration, improvement or structure of any kind, shall be commenced, erected, placed or maintained upon any Unit or upon the Common Property, unless and until the plans, specifications and location of the same have been submitted to, and approved in writing in accordance with the provisions of this Article. Modifications subject to architectural control specifically include, but are not limited to, painting or other alteration of a Dwelling (including doors, windows, and roofs); installation of antennas, satellite dishes, or receivers, solar panels, or other devices; construction of fountains, swimming pools, whirlpools, or other pools; construction of privacy walls or other fences; additions of awnings, gates, flower boxes, shelves, statues, or other outdoor ornamentation; patterned or brightly colored outdoor window coverings; any alteration of the landscaping or topography of the Property including, without limitation, any planting, cutting, or removal of trees or plants; and all other modifications, alterations, or improvements visible from other Units, whether on a Unit or on Common Areas.

7.2. Creation of Architectural Review Board. Any proposed modifications within the Property subject to architectural control shall be reviewed by an Architectural Review Board ("ARB") as established by the Board. The ARB shall have three (3) members, each appointed by the Board. If the Board fails to establish the ARB, the Board shall act as the ARB.

7.3. Application. The plans to be submitted for approval shall include i) the construction plans and specifications, including all proposed landscaping; ii) an elevation or rendering of all proposed improvements; and iii) such other items as the ARB may deem appropriate. No construction on any Unit shall be commenced and no Unit shall be modified except in accordance with such plan. Any modification to the approved plan must be reviewed and approved by separate application.

7.4. Basis for Decision. Approval shall be granted or denied by the ARB, based upon compliance with the provisions of this Declaration, the quality of workmanship and material, harmony of design with surrounding structures, effect of construction on the appearance from surrounding Units and other factors, including purely aesthetic considerations, which in the sole opinion of the ARB will affect the desirability or suitability of the construction.

7.5. Uniform Procedures. The ARB may establish procedures for the review of applications, including review costs and fees, if any, to be paid by the applicant.

7.6. Notification. The ARB shall notify the applicant in writing of approval or disapproval within sixty (60) days of receipt of a completed application in accordance with its respective procedures. If approval or disapproval is not given within sixty (60) days, the application shall be deemed disapproved. If approval is given, construction of the improvements applied for may begin, provided that all such construction is in accordance with the submitted plans and provided further that such plans conform in all respects to the other terms and provisions of this Declaration.

7.7. Liability. Approval by the ARB of an application shall not constitute a basis for any liability of the members of the ARB as regards failure of the plans to conform to any applicable building codes, or inadequacy or deficiency in the plans resulting in defects in the improvements.

7.8. Limitations. Nothing shall be erected, constructed, planted, or otherwise placed in such a position (subsequent to the initial construction of improvements on the Property by the Declarant) so as to create a hazard upon or block vision of motorists or interfere with those easements or other rights set forth in this Declaration.

7.9. Construction Regulations. The ARB may also establish regulations governing procedures and behavior of contractors, materials, suppliers and other construction related visitors, including a requirement that deposits be posted, which may be forfeited if the contractor violates the construction regulations. Construction contractors who are unwilling to comply with the construction regulations or who continue to violate the construction regulations may be prohibited from working within the Subdivision by majority vote of the Board of Directors.

7.10. Enforcement. If any construction is begun which has not been approved or which deviates from the approved plans, the ARB or the Association may bring an action for specific performance, declaratory decree or injunction, in addition to such other remedies as provided under this Declaration or at law.

**8.9. Signs.** No sign of any kind shall be displayed to the public view on any Unit except one sign that conforms with the design standards stipulated in the ARB Guidelines. Such fidelity bond coverage shall be based upon best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association

The Board shall obtain funds for such reconstruction first from the insurance proceeds, then from reserves for the repair and replacement of such improvements, and then from any special assessments that may be necessary after exhaustion of insurance and reserves.

Such proceeds, if not utilized by the Association for the purpose of restoring or replacing Common Areas that have been taken, shall be disbursed in proportion to assessment shares to the Owners and their mortgagees, as their interest may appear.

## 11. EASEMENTS

11.1. **Easements in Favor of the Declarant and Association.** The Declarant hereby creates and reserves for itself, its successors and assigns and for the Association the following easements, which shall benefit the Properties:

11.1.1. Utility Easements. A blanket non-exclusive easement upon, across, over, through, and under the Property for ingress, egress, installation, replacement, repair and maintenance of all public and private utility and service systems. These systems include, but are not limited to, water, sewer, irrigation systems, drainage, telephone,

electricity, natural gas, television, cable or communication lines and other equipment. By virtue of this easement the Declarant, and its successors or assigns, may install and maintain facilities and equipment, excavate for such purposes, and affix and maintain wires, circuits and conduits. However, the exercise of this easement must not unreasonably disturb each Owner's right of quiet enjoyment of their Unit.

11.1.2. The Declarant reserves for itself, its successors and assigns and for the Association the right to grant future specific easements to utility companies for services including but not limited to electrical, telephone, cable TV, internet and natural gas, which may burden individual Units, regardless of whether said Units have been transferred to subsequent Owners.

11.1.3. Drainage Easements. A blanket non-exclusive easement and right on, over, under and through the ground within the Properties to maintain and to correct drainage of surface water and other erosion controls. This easement includes the right to cut any trees, bushes or shrubbery, grade soil, or to take any other action reasonably necessary for health, safety or appearance or to comply with governmental requirements. The Declarant or Association, as applicable, shall notify affected Owners (except in an emergency) and shall restore the affected property to its original condition as nearly as practicable. This easement may be exercised by the Declarant or the Association. Without limiting the generality of the foregoing language, the Owner of each Unit shall maintain in good and operational condition and repair the areas of the Owner's Unit constructed or approved for use for stormwater management, retention, storage or treatment. No such area shall be altered and no improvements shall be placed or allowed to be placed or to remain in such areas without the prior written approval of the Architectural Review Board.

11.1.4. Non-exclusive Easements on Plat. All easement areas shown on the Plat(s) are non-exclusive easement grants. Declarant reserves, both for itself and the Association, the right to grant additional non-exclusive easements over, under, across and through such areas, provided that such additional easement grants do not materially interfere with the activities for which such areas were established.

11.1.5. Development Easement. A nonexclusive easement and right of access in favor of Declarant across, under and to all Units and Common Areas for construction thereon of subdivision improvements, sale of Units and such other purposes and uses Declarant deems appropriate or necessary in connection with the sale and development of the subdivision.

11.1.6. Landscape Maintenance Easement. A blanket access and maintenance easement over all area within the Property outside the footprint of approved buildings. The purpose of this easement is to enable the Association to maintain primary and effective control over the installation and maintenance of all plant materials and necessary water well and irrigation systems in this area by Owners and/or the Association. Without specific written prior consent, no Owner or their agent may attempt to maintain or modify the vegetation in this area.

11.2. Common Areas. Each Owner shall have the right to use the Common Areas as shown on the Plat.

11.3. General. Declarant does hereby grant a nonexclusive personal easement and right of ingress and egress across, under, and to all Common Areas, to each and all law enforcement, fire fighting, and postal or delivery organizations, and to any other persons, organizations or entities who, in the normal course of their operation, respond to public or private emergencies, or who provide public or private utility services.

11.4. Party walls

11.4.1. General Rules of Law to Apply. Each wall built as a part of the original construction of the townhomes within the subdivision and placed on or near the dividing line between the Units will constitute a party wall and, to the extent not inconsistent with the provisions of this article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions will apply thereto.

11.4.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall will be shared by the owners who make use of the wall in proportion to such use.

11.4.3. Grant of Easements. Each Owner grants to the Owner of each attached adjacent Parcel the right and easement to maintain and to utilize any interior wall of his House which forms a party wall between them for support of shelves, structures, and plants as applicable, provided that such items do not structurally damage the party wall. Maintenance of the surface of such wall and of any structure affixed thereto shall be the sole responsibility of the Owner whose residence faces such wall.

11.4.4. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it. If, in addition, other owners thereafter make use of the wall, they are responsible for contributing to the cost of restoration in proportion to their use. This right of contribution will be without prejudice to any right to call for a larger contribution under any rule of law regarding liability for negligent or willful acts or omissions.

11.4.5. Weatherproofing. Notwithstanding any other provisions in this article, an Owner who, by negligent or willful acts, causes a party wall to be exposed to the elements will bear the whole cost of furnishing the necessary protection against such elements.

11.4.6. Right to Contribution to Run With Land. The right of any owner to contribution from any other owner under this article will run with the land, and will pass to such owner's successors in title.

11.4.7. Arbitration. In the event that a dispute arises concerning a party wall, the dispute must be submitted to arbitration. Each party may choose one arbitrator, and those arbitrators may choose one additional arbitrator. The decision of a majority of all the arbitrators will be binding on the parties.

11.4.8. Adjoining Units. Each Owner of a Unit hereby grants to the Owner of any adjoining Units an easement over his Unit as reasonably necessary to maintain such adjoining Unit including, but not limited to, any House, Privacy Wall, roof, or common wall. The rights granted hereunder may be exercised only during reasonable hours and

only when necessary to permit the maintenance and repair of such adjoining Unit.

## 12. RULES AND REGULATIONS

12.1. Initial Promulgation. The initial rules and regulations for the Association may be promulgated by the Declarant and may be not only as to those matters and subjects identified in this Declaration but may also be as to any matter and subject, the regulation of which shall be needed to govern misconduct or to promote harmony among the Owners.

12.2. Amendment. The initial rules and regulations for the Association shall be amended only by the Board of Directors of the Association.

## 13. GENERAL PROVISIONS

13.1. Indemnification. The Association shall indemnify every one of its officers, directors and committee members against all damages and expenses, including legal counsel fees, reasonably incurred in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section and Florida law.

The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director or committee member may be entitled. The Association may, as a Common Expense, maintain adequate general liability, officers' and directors' liability insurance and other insurance deemed advisable to fund this obligation, if such insurance is reasonably available.

13.2. Dedication of Common Areas. The Association may dedicate portions of the Common Areas to Walton County, Florida, or to any other local, state or federal governmental or quasi-governmental entity for purposes determined to be in the interest of the Owners.

13.3. Security. The Association may, but shall not be obligated to maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system or measures, including any mechanism or system for limiting access to the Property, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended.

#### 13.4. Stormwater Management System.

13.4.1. Definitions. "Surface Water or Stormwater Management System" means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges from the system, as permitted pursuant to chapters 40c-4, 40C-40, or 40C-42, F.A.C.

13.4.2. Use of Property. Surface Water or Stormwater Management System. The Association shall be responsible for the maintenance, operation and repair of the surface water or stormwater management system. Maintenance of the surface water or stormwater management system(s) shall mean the exercise of practices that allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by Walton County or the State of Florida. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted, or if modified, as approved by Walton County, or the State of Florida.

13.4.3. Amendment. Any amendment to the Covenants and Restrictions that alter the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portions of the common areas, must have the prior approval of Walton County, the State of Florida and/or any other appropriate governmental agency.

13.5. Enforcement. Other than as specifically set forth herein, the Association, or any Owner, shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Association or by any Owner to enforce any restriction, condition, covenant, reservation, lien, charge, rule or regulation herein contemplated or contained shall in no event be deemed a waiver of the right to do so thereafter. If any court proceedings are required for the successful enforcement of any condition, restriction or covenant contained herein (due to its violation or breach) or lien against any Owner or against any other person or entity, said Owner, person or entity expressly agrees to pay all costs, including a reasonable attorney's fee, of the party initiating such successful judicial proceeding for the enforcements of said condition, restriction, covenant and/or lien. Notwithstanding anything herein to the contrary, any and all costs, including but not limited to attorneys' fees and court costs, which may be incurred by the Association or the Declarant in the enforcement of any of the provisions of this Declaration, regardless of whether such enforcement requires judicial action, shall be assessed as an Individual Unit Assessment to the Owner against whom such action was taken.

13.6. Association's Performance of Owner's Duties. If an Owner of any Unit shall fail to comply with any of its obligations under this Declaration and such failure continues for ten (10) days after written notice of such failure from the Association, the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents, employees or contractors, to enter upon said Unit and to perform such acts and pay such amount necessary to fulfill such obligations and bring the Unit and Owner into compliance with this Declaration

and all costs and expenses incurred in connection therewith shall be an Individual Unit Assessment against such Unit.

13.7. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions that shall remain in full force and effect.

13.8. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of 20 years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of 10 years unless 75% of the members of the Association and 75% of the holders of first mortgages against Units in the development decide that such covenants, conditions and restrictions shall abate, which decision, if made, shall be evidenced by an agreement in writing signed by 75% of the membership and by 75% of the first mortgage holders, setting forth their decision, which document shall be effective when duly recorded in the Public Records of Walton County, Florida.

13.9. Availability of Records and Other Documents. The Association shall make available to the Owner of any Unit current copies of this Declaration, the Articles of Incorporation of the Association, and the books, records and financial statements of the Association. Such items shall be available to any of the described parties for inspection upon request during normal business hours or under other reasonable circumstances. Copies shall be provided for a nominal fee to reimburse the Association for any expense that may be incurred.

#### 13.10. Amendment.

13.10.1. By Members. This Declaration may be amended at any time by an instrument signed by the president or vice president and secretary of the Association, certifying approval in writing by seventy-five percent (75%) of the voting interests. Rights reserved to the Declarant may not be amended without the specific consent of the Declarant.

13.10.2. By the Declarant. The Declarant specifically reserves the absolute and unconditional right, so long as it is a Class B Member, to amend this Declaration without consent or joinder of any party (i) to conform to the requirements of the Federal Home Loan Mortgage Corporation, Veterans Administration, Federal National Mortgage Association, Office of Interstate Land Sales Registration, Federal Home Loan Bank Board or any other similar entity, (ii) to conform with the requirements of institutional mortgage lenders or title insurance companies, (iii) to clarify the Declaration's provisions or correct errors, and/or to (iv) to make any other changes which, in the sole opinion of Declarant, is necessary or convenient for the orderly development of the Subdivision.

13.10.3. Recording. Any amendment shall take effect upon recording in the public records.

13.11. Legal Fees. Any and all legal fees, including but not limited to attorneys' fees and court costs, which may be incurred by the Association in the enforcement of any of the provisions of this Declaration, regardless of whether such enforcement requires judicial action, shall be assessed (by either general or special assessment) against and collectible from the

Owner against whom such action was taken and shall be a lien against such Owner's Unit in favor of the Association.

13.12. Continuing Violation. Any single violation of any use restriction by an Owner shall constitute a continuing violation, which shall allow the Association or any other Owner to seek permanent injunctive relief. In no event shall a violation of these conditions, restrictions, or covenants ever be interpreted to work a reverter or forfeiture of title.

13.13. Notices. Any notice required to be sent to the Owner of any Unit under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, or hand delivered to the last know address of the person who appears as Owner of such Unit on the records of Association at the time of such mailing.
