

Dash For Smiles is a local non-profit organization in Denver, Colorado. The organization was created in 2010 by three mothers of cleft affected children and is 100% volunteer-based. We strive to support other families struggling with the isolation and financial strain of having a cleft-affected child. We have donated \$140,000 over the last 12 years, and we could use your help!

Our mission is to raise awareness about cleft lip and palate in our community while supporting our local cleft lip and palate clinics. Dash For Smiles 5K is a fun and engaging way for you to support our mission while helping you connect with families and cleft affected children.

To reach our fundraising goal, we are in search of corporate sponsors like you! 100% of monetary donations that you give go directly to the cleft clinics at Children's Hospital Colorado and Rocky Mountain Hospital for Children. Your help makes a difference to these children. Below is some more information on sponsorship packages and other ways to help kids with cleft lip and palate.

If you are interested in supporting Dash For Smiles 13th annual 5K, we kindly request a response by June 1, 2023. If you have any questions or want any additional information, do not hesitate to contact us at 720-231-3124 or DashForSmiles@gmail.com.
