Become a Coach – Join Our New Apprenticeship Cohort!

Are you passionate about coaching and keen to make a meaningful difference?
PG active Ability Limited are excited to offer a specialised apprenticeship opportunity for coaches eager to support our community and develop their skills.
PG Active Ability Limited has a thriving programme supporting 20 apprentices with Disabilities, SEN, or long-term mental health concerns, and we're now looking to offer more opportunities

Course requirements
18+
Not in Education
Have a disability, long term health and/or mental health condition.

• Commitment: Minimum of 4 hours per week (out of the 10-hour apprenticeship)

• Course Length: 15-month apprenticeship, extended to 3 years for additional learner support.
• Placement: Within a local community programme.
• Support: Each apprentice is assigned a skills coach and mentor, plus full assessment for learning needs and cognitive abilities, ensuring tailored support.
• Remuneration: Apprentices receive National living wage for 10 hours each week, with time spent on course work, coaching, workshops, and self-learning.
• Resources: Course kit and an iPad provided for the programme duration (option to purchase at a nominal cost upon completion).
• Wellbeing: Free mental health counselling and support available throughout your apprenticeship.
As an apprentice you will be instrumental in empowering young people to thrive through football, working alongside other coaches in collaborative workshops. If you have a passion for inclusion, coaching, and community, we want to hear from you!
