

Supply Multiply

From the classrooms of the Ebenezer School in San Pedro Sula to life-changing outreach programs, Supply and Multiply continues to bring hope and Christ’s love to communities in need. Together, we’re educating children, supporting families, and sharing the gospel in powerful ways. Thank you for being part of this mission—your prayers and support make all the difference!

**“He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.”
2 Corinthians 9:10**

Serving others is at the heart of what we do. Whether it’s through teaching, feeding, comforting, or simply showing up, we believe every act of service is a reflection of Christ’s love. Together, we are called to step into the needs of the world and bring hope, one life at a time.

At Supply and Multiply, education is a cornerstone for lasting change. Through our school sponsorship program, children in Haiti are gaining access to quality education that empowers them to dream beyond their circumstances. Each sponsorship provides tuition, uniforms, and school supplies, offering children a pathway to a brighter future. These young lives are filled with potential, and your support helps unlock it. Together, we can nurture leaders who will transform their communities.

Education in San Pedro Sula, Honduras, at the Ebenezer School shines as a beacon of light in a dark world plagued by gang violence, poverty, and limited access to quality education. In a region where many families struggle with unemployment, food insecurity, and the threat of human trafficking, the school provides children with hope, stability, and the opportunity to thrive in a Christ-centered environment.

Pastor Joel and Tara Beauchamp are a tremendous blessing to Supply and Multiply. They faithfully serve and make an impact in Honduras. Their dedication to connecting with the community has been invaluable as they build relationships, share Christ's love, and help advance the ministry's mission in transformative ways.

The Matthew 25 House continues to be a beacon of hope for the elderly in Montrouis, Haiti. This home provides compassionate care, nutritious meals, and a safe place for those often forgotten. Every meal served, every smile shared, and every life comforted reflects Christ's call to care for the least of these. Your support makes it possible to meet these tangible needs with dignity and love. Let's continue to be the hands and feet of Jesus.

PARTNER WITH US

Partnering with Supply and Multiply means becoming part of a movement that transforms lives through Christ's love. In Haiti, the Matthew 25 House provides residential care for the elderly and most vulnerable, school sponsorship, water for substance gardening, and food subsidies to families. In Honduras, the Ebenezer School is shaping young minds with a Christ-centered education, the House of Hope is sharing love and support with women caught in the snares of the sex industry, and we are engaging in many other growing ways to partner with the community for Christ. From providing education and elderly care in to medical clinics, meals, and evangelism, we are meeting tangible needs while sharing the gospel. Every dollar, prayer, and partnership makes an eternal difference. Together, we can continue to bring hope, healing, and the love of Christ to those who need it most.
