**As we prepare to send a team to Honduras, we are inviting friends and partners to join us in prayerful and financial support. This upcoming trip is focused on serving, strengthening relationships, and sharing the love of Christ in tangible ways.**

**During our time in Honduras, our team will be helping lead Night to Shine, The Tim Tebow Foundation, a Christ-centered celebration honoring individuals with special needs. This evening is more than an event, it is a visible reminder that every person is known, valued, and celebrated by God.**

**In addition, our team will be working alongside Ebenezer School and New Generation Christian Academy, supporting their ongoing ministry to children and families through encouragement, presence, and practical help. These partnerships allow us to invest not only in events, but in long-term relationships that continue to bear fruit well beyond our visit.**

**We are also inviting support to help provide for the celebration of Estrella's quinceañera, a meaningful milestone in her life and a moment of dignity, joy, and community. Your gift helps ensure this celebration reflects love, honor, and care.**

Pictured here are some guests from last year's Night to Shine, where each person was welcomed, honored, and celebrated as a reflection of God's love.

Pictured here is Estrella during her quinceañera photo session. A quinceañera is a meaningful milestone, and we are inviting donations to help support this celebration as an expression of love, honor, and community.
