

Missionaries to Honduras

HOPE • DIGNITY • FREEDOM

Audrey and Sebastian serve together in San Pedro Sula, Honduras, sharing the Gospel and helping individuals and families build lives marked by dignity, stability, and hope.

Audrey has served full time in Honduras since 2015. As the National Director of House of Hope, she walks alongside women seeking freedom from trafficking and sexual commerce. She helps women rediscover their God given worth, grow in Christ, develop skills for employment, and move toward safe and stable lives.

Sebastian ministers to men with the conviction that lasting change begins when men encounter Christ and learn to live with integrity, responsibility, and love. Through discipleship, encouragement, and biblical teaching, he helps men honor women, strengthen their families, reject patterns of exploitation, and model a different future for the next generation.

Together, Audrey and Sebastian also serve children, families, churches, and neighborhoods through education, discipleship, practical care, and Gospel outreach.

Their ministry restores dignity by helping individuals understand that they are loved by God and created in His image. Your partnership helps make this long-term, relational ministry possible.

What We Do

GOSPEL PROCLAMATION
EXPRESSED THROUGH
COMPASSIONATE ACTION

CARE FOR THE VULNERABLE

We honor vulnerable seniors, people with disabilities, and families facing exploitation, injustice, poverty, or crisis.

INVEST IN CHILDREN

We support education, school sponsorships, children's outreach, and safe places where young people can learn and belong.

STRENGTHEN COMMUNITIES

We help meet practical needs through food assistance, medical care, water projects, housing support, repairs, and community outreach.

SERVE ALONGSIDE

We equip local leaders, share the Gospel, disciple believers, and welcome mission teams that come as servants and partners.

A MISSION THAT MULTIPLIES

We believe ministry is strongest when local believers are equipped to lead. Supply and Multiply provides training, resources, encouragement, and long-term friendship so churches and leaders can serve their own communities with wisdom, dignity, and the hope of Christ.

OUR PARTNERSHIP MODEL

- **Equip.** Strengthen indigenous Christian leaders.
- **Serve.** Work beside local churches and ministries.
- **Multiply.** Invest in people who will continue the work.

Where We Serve

GOSPEL • COMPASSION • RESTORATION

HAITI

In Haiti, Supply and Multiply cares for elderly and disabled residents at the Matthew 25 House, providing food, housing, medical support, and the assurance that they are loved and not forgotten. We also support education and school programs that give children opportunities to learn, grow in faith, and build a hopeful future. As the Lord provides, we give out food as benevolence to members of the community and rent homes for individuals to provide housing stability.

HONDURAS

In Honduras, Supply and Multiply partners with local churches, schools, children's homes, missionaries, and community ministries. We support education, evangelism, discipleship, feeding programs, medical outreach, children's activities, family assistance, and practical care. We have a special heart for people affected by trafficking, exploitation, and the sex industry, helping them rediscover their God-given dignity and pursue freedom, stability, and hope in Christ.

We serve wherever God opens doors, sharing the Gospel and demonstrating the compassion of Christ to communities in need of freedom, stability, and hope.
