

God Is Enlarging the Field

Thank you for standing with us through your prayers, encouragement, and faithful generosity. Because you have chosen to partner with us, children are going to school, families are receiving food and housing assistance, vulnerable people are being cared for, and the Gospel and compassion of Jesus Christ are being shared in very practical ways.

God continues to sustain our work in Haiti. At the Matthew 25 House, we care for elderly and disabled people who have very few other resources. We continue helping children attend school and walking alongside families with food, rent, medical needs, and other assistance. These are not simply programs we support. They are people we know, love, pray for, and walk alongside.

At the same time, God is opening tremendous doors in Honduras. We are not stepping away from Haiti to serve Honduras. God is enlarging the field.

In San Pedro Sula, new relationships and partnerships are allowing us to serve children, strengthen Christian education, minister among vulnerable women and families, disciple men, and bring practical help and Gospel hope into communities where the needs are enormous.

As this work has grown, we have become convinced that one of the most important things Supply and Multiply can do is help put faithful people on the ground who can build relationships and minister every day, not simply when a mission team is visiting.

That is why we want you to meet Audrey and Sebastian Euceda. They are already doing the work. We want to help keep them on the field.

We are asking God to **supply and multiply** the resources needed for this next season of ministry. Our ongoing work in Haiti and Honduras continues, and support for Audrey and Sebastian is an additional step of faith as the ministry grows.

If God has put this work on your heart, would you prayerfully consider making a special gift to help keep them on the mission field? Every gift, large or small, becomes part of sharing the love and compassion of Christ with people who need to know they are seen, valued, and not forgotten.

your seed for sowing
and *increase the harvest*
