## A Decade of Love: Lovelin's Story

We met Lovelin in 2015 while building a home near where she lived. From the very beginning, the ministry of Supply and Multiply has been about relationships. For a decade, we have loved and prayed for this young girl with disabilities and helped make it possible for her family to provide for her needs.

Over the years, Lovelin has received therapy, hospital care, food, and other essential provisions. But most importantly, she has been surrounded by the compassion of Christ.

When you partner with Supply and Multiply, you are not just giving to a project; you are entering into a relationship. No matter how hard the road has been in walking alongside Haiti, we have continued to do what we can, where we are, with what we have.

This is just one glimpse into the ongoing work your partnership makes possible. Thank you for walking this journey with us.

Sharing the Love and Compassion of Christ!
