**"You must honor the Lord and truly serve him with all your heart. Remember the wonderful things he did for you!" 1 Samuel 12:24**

The Worrell family was able to be in Haiti the week leading up to Easter. This was a wonderful time to share the Good News! They checked in on old friends and made news one.

A new home build has broken ground and is well on its way to completion! We are so happy for Flanksey and his grandfather. Below are a few pictures of Flanksey working hard on his home and the foundation progress.

We celebrated this month that Elza one of our University Students has graduated from her final program in nursing. She has completed all her rotations and clinics. Many of you came around her months ago when she was robbed in Port au Prince. Her entire nurse bag was stolen from her along with many other items. It was a great encouragement that as a ministry family we blessed her with new items and lifted her in prayers of protection so that she could stay in the capital city and finish her schooling.

The Matthew 25 House Residents are all doing good. They are adjusting to the lost of a dear friend. Jeffies was laid to rest on April 14th. Please keep the residents' health and strength in prayer. In addition, pray for the staff that faithful serves.
