Supply  Multiply

*"I was hungry and you gave me something to eat" Matthew 25:35*

*It has been a week of transitions and we have so many God moments! He has blessed us with favor and provision in every step.*

*Pastor Jeremie and Emmanuel are working daily to ensure that the Matthew 25 House individuals are having their needs met with the love and compassion of Christ.*

*This past week many people in the nation began to fight back against the gangs, and while they made some progress in standing up, the gangs are much stronger and fought back hard. We watched heart-wrenching videos of great destruction and group kidnappings. Daily Haiti needs your prayers for protection and grace. We pray for the ministry to continue to be a living witness of a living God to a hurting Nation.*
