

Ministry Happenings

The light of the Gospel continues to shine brightly in Haiti. Even though we cannot be in Haiti in this turbulent season, our Haitian staff are keeping the ministry strong. Not only that. He is giving us great favor in opening up new doors and relationships to stay active on mission, spreading the same heart for people and love for Jesus everywhere He sends us!

Thank you for taking the time to see some of the beautiful ways God is making His worth known among the nations through Supply and Multiply!

BACK TO SCHOOL

Many students are preparing to return to school. On July 31st many students took their national exams. If you are a school sponsor, please prayerfully consider your ongoing donation for the upcoming school year. When schools are open, students attend. The ministry assists students with food and other necessities when school is closed.

Congratulations to Christo! He completed his vocational schooling. A huge thank you to his school sponsor who has supported his educational journey over the years.

We have been blessed to provide many vulnerable individuals with food assistance.

Finding Peace in God's Love

In a world filled with chaos, stress, and uncertainty, it is easy to feel lost and disconnected. The theme of Vacation Bible School at the rural mountain Church in Chapelton Jamaica was "A peace we say." We spent the week helping children grow in a deeper understanding of God's love, which brings lasting peace and joy. Sharing God's love, we can find solace in His presence and experience a profound transformation in our lives. Supply and Multiply is sharing the message of God's love, serving Haiti and other nations as doors open to spread His word.

SHARING THE GOSPEL...ENCOURAGING THE LOCAL CHURCH

The purpose of VBS is to minister to children in the church, create outreach to the surrounding communities, and create evangelism opportunities. We taught Bible Stories, sang engaging songs, made crafts, and closed the day with a full meal.

"PRAY THAT THE CHURCH WILL BOLDLY SHARE JESUS AS THE ONLY HOPE FOR SALVATION."ACTS 4:12

Makeover with Purpose

We partnered with First Congregational Church of Naples and the ministry REACH TEACH AND EMPOWER (formerly Learning to Hope in Haiti) on the recent mission trip to Jamaica. One of our primary objectives was to make the space more usable for both students and teachers. We worked on renovating classrooms, repairing furniture, and creating a more conducive learning environment. This involved painting, building shelves, new swings, cement and kitchen repairs, and ensuring that the classrooms were clean and organized. By improving the physical space, we aimed to create a more comfortable and inspiring atmosphere for both teaching and learning. In addition to improving the physical space, we also focused on updating learning tools. We recognized the importance of providing students with up-to-date educational resources that align with their current curriculum standards.
