

Dear Friends and Supporters,

As we reflect on the incredible work that God has enabled us to accomplish through Supply and Multiply, our hearts are full of gratitude for your faithful support. Over the years, we have witnessed God's hand guiding us in ways that have transformed lives and brought hope to those in desperate need.

Our mission has been clear from our beginnings: to share Christ's love and compassion by meeting the spiritual and physical needs of the people we serve. Whether it's caring for the elderly and vulnerable in our residential care facility in Montrouis, Haiti, providing education through our school sponsorship programs and support to teachers and schools, or ensuring that families have the essentials of food, shelter, and fuel for generators to pump water to the subsistence farmers, every effort we undertake is centered on reflecting the love of Jesus.

Recently, our work has expanded to assist many refugees in transitioning and partnering with those aligned with our vision in Haiti, Honduras, and anywhere the Lord leads. However, none of this would be possible without the generosity of regular donors like you. The need is immense, and as our mission continues to grow, so does our reliance on the steady support of those who believe in what we do. Regular donations are the lifeblood of our ministry, allowing us to plan effectively, respond swiftly to emergencies, and sustain our ongoing programs. Without your consistent giving, many of the life-changing opportunities we provide would not be possible.

Your donations do more than just meet immediate needs—they create lasting impact. They help educate a child, provide healthcare to the sick, offer sanctuary to a refugee, and above all, they bring the hope of Christ to those who need it most. Your partnership in this ministry is sowing seeds that will bear fruit for generations to come. Thank you to all of those that partner with the ministry and our work regularly.

We ask you to prayerfully consider how you can partner with us. Most importantly, we need prayer warriors! Are you interested in going on a mission trip, hosting a fundraiser event, or becoming a regular supporter? Contact us and together, we can continue to be the hands and feet of Jesus in a world that desperately needs His love.

In the Grip of His Grace,

THE SCHOOL YEAR HAS STARTED!

Even amidst the changing conditions in Haiti, Supply and Multiply remains committed to supporting education in the community. We are excited that so many in Montrouis are able to safely return to school, and we continue to sponsor students and support local schools. There are various challenges and we pray for God's grace and mercy so that the students can have a safe successful school year. We also pray for those who are still unable to return to school. Thank you for your understanding and continued support.

EBENEZER SCHOOL ROOF PROJECT

Ebenezer School roof / classroom repair project is coming along beautifully. The roof, floors, electric, and ceiling are complete. The next phase is painting and bathrooms. By investing in the school's infrastructure, we contribute to the long-term educational success of the community. This support aligns with our heart to uplift communities through schools that are shining the light of Christ.

REFUGEE CARE

We are excited to share significant updates on our ongoing efforts to support refugees. We are working with many individuals to help them change their immigration status from Humanitarian Parole to Temporary Protected Status. (TPS). This crucial step not only extends their stay but also opens doors for more permanent immigration opportunities in the future.

God has truly opened doors, providing ways for these individuals to find safety, support their families, and hold onto the hope of even greater opportunities ahead.

We are blessed to participate in this important work, assisting with legal immigration and being part of God's provision for those in need. As Deuteronomy 10:18 reminds us, "He defends the cause of the fatherless and the widow, and loves the foreigner residing among you, giving them food and clothing." We see His love and compassion at work in every step we take.

Pictured here is Gary and the children with a couple that Gary uses his talents in caring for their beautiful yard.

Supply and Multiply is sharing the love and compassion of Christ to a hurting world. Guided by 2 Corinthians 9:10, "He who supplies seed to the sower and bread for food will **Supply and Multiply** your seed for sowing and increase the harvest of your righteousness.". We believe in being vessels of His provision, sowing seeds of hope and transformation in the lives of others. Our work emphasizes global solidarity, recognizing that the love of Christ knows no borders, and our efforts to support communities around the world are interconnected. By supporting our mission, you are helping to extend the reach of Christ's love and compassion, making a tangible impact in the lives of those we serve.
