From Pastor Chris

Thomas Brooks put it this way, "Your life is short, your duties many, your assistance great, and your reward sure. Therefore faint not, hold on and hold up, in ways of well-doing, and Heaven shall make amends for all!" The mission of every Christian is to reflect Jesus in the world, the whole world!

I and a few followers of Jesus headed to Honduras in late February. We shared love and Christ-life with the staff and children at the Ebenezer School. I can't wait to see the flourishing of Christ in these kids as they grow up to be community leaders and God worshippers in San Pedro Sula.

We established the bond of Christian fellowship and partnership in mission with Pastor Joel of International Christian Fellowship Church in San Pedro Sula. We established relationships with other local ministries. This working vision trip added stone to the foundation of what is rapidly becoming an opportunity for our friends and partners to minister deeply in the name of Jesus in Honduras. ¡Gloria a Jesús!

Children are a vital mission field! We're planting the Gospel!

The famed Nineteenth Century missionary, C.T. Studd remarked, "Only one life, 'twill soon be past, Only what's done for Christ will last." The Supply and Multiply ministry family has always been and will always be about faith-fueled action. Just a little lived faith is better than buckets and barrels of empty faith.

Pictured here is Mr. Salvadore Toledo delivers the Good News of Jesus setting us free with the children at the Ebenezer School. Not only that, he was giving them tools for sharing Jesus with their friends and families. Mr. Toledo also brought the gift of the Spanish language as he translated for team members, Mr. Jason Weeks, Mr. Larry Denton, and Pastor Chris.

We thank God for our opportunity to pick up the mantle of spiritual care for these precious people. First Congregational Church of Naples has a nearly a decade long relationship with the school. The Supply and Multiply family is blessed by the gift of such a soul nourishing mission field.

*"Children are the living messages we send to a time we will not see."
- Neil Postman*

SHARING THE LOVE AND COMPASSION OF CHRIST!

Haiti is in absolute lawless chaos. We continue to provide relief to families. Supply and Multiply is sharing the light of Christ in the community of Montrouis. Please pray for the ministry family to have provision and protection!

HAITI

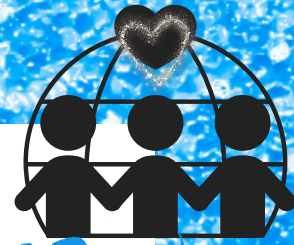

"FOR I WAS HUNGRY AND YOU GAVE ME SOMETHING TO EAT, I WAS THIRSTY AND YOU GAVE ME SOMETHING TO DRINK, I WAS A STRANGER AND YOU INVITED ME IN"
MATTHEW 25:35

Despite facing numerous challenges, the ministry family was able to successfully host Night to Shine in Haiti, a prom experience for people with special needs. The event was held with a genuine heart and a desire to show love and appreciation to the honored guests.

The location of the event had to be moved, and many necessary items were unable to be retrieved due to roadblocks. However, these obstacles did not deter the dedicated team from putting together the best event possible. The guests were treated to a nice meal, received love and attention, and enjoyed dancing the night away.

Pray | Support | Send | Go

Interested in going on a mission trip? Please send us a message or speak Tamme Geurts or Christina Surber. We can take a church specific team or you can join an open team with people from various locations. God is opening doors to serve His people and we are excited to participate with His work!
