

June 2026

Thank you for continuing to pray for and support the work of Supply and Multiply.

We are grateful to share that the Matthew 25 House in Haiti is doing well. Our residents are being cared for with dignity, love, and steady Christian compassion. At the same time, the need for financial resources remains very real. Recently, one of our residents needed medical care, and situations like that often bring unexpected costs. We are thankful to be able to respond, but we can only do so because of the faithful generosity of those who partner with us.

We also continue to pray earnestly for Haiti. The people of Haiti are living through deep instability, uncertainty, and hardship. We pray for peace. We pray for protection. We pray for wisdom for leaders and strength for local churches. Most of all, we pray that the people of Haiti will continue to find hope in Jesus Christ, even in the middle of suffering.

At the same time, our team is preparing for an upcoming mission trip to Honduras. We are excited to serve alongside our partners there through ministry with children, teachers, women, families, and local Christian leaders. There are many ways you can partner with us in this work.

Thank you to everyone who has already supported the July team by purchasing items from our Amazon Wish List. Those gifts are already a tremendous blessing. We could still use help with mission activities, ministry supplies, community meals, and the practical expenses that allow us to serve well on the ground.

We simply cannot do what we do without your prayers and financial support. Every gift matters. Every prayer matters. Every act of partnership helps us continue sharing the love and compassion of Jesus Christ with people who need to know they are seen, loved, and not forgotten.

Thank you for standing with us.
