BACK TO SCHOOL

Supply and Multiply in Haiti is excited to announce the start of the new school year! Despite the ongoing economic hardships, political instability, and social unrest, our commitment to the children of Montrouis remains unwavering. With the start of the new school year, we support the students attending schools where they can learn, grow, and thrive.

Thanks to our financial donors and prayer partners, we offer essential resources, such as tuition, school supplies, and uniforms, to children who otherwise lack access to education. Our goal is not just academic success but fostering hope, resilience, and a future rooted in faith and opportunity for every child we serve. We believe that through education, we can help build a brighter future for Haiti, one student at a time.

**"EDUCATION IS THE FOUNDATION UPON WHICH WE BUILD A LIFE OF FAITH,
WISDOM, AND SERVICE TO GOD." -UNKNOWN**

Since 2015, Supply and Multiply's school sponsorship program has transformed the lives of hundreds of children and young adults through education. From preschool graduations to vocational training and even college degrees in fields like education, business, and nursing, your support has made this journey possible. However, with the changing complexities in Haiti, we've had to adapt our program to meet broader needs. When you give, you ensure that each student we serve has access to books, uniforms, and the resources they need to thrive. Your ongoing support directly impacts their future and strengthens our ministry's ability to provide for those God places in our care.
