

TAPAS Network. Our commitment.

HOARE LEA & EVERYONE

2020-10-23

**An award winning
consultancy with a creative
team of engineers, designers
and technical specialists.**

TAPAS.

Our Involvement.

- Monitoring IAQ as part of general performance.
- Direct enquiries from School Headteachers asking for advice.
- Off-gassing of furnishings / finishes.
- IAQM / CIBSE AQ Working Group.
- CIBSE SDG
- Untapped Schools.

untapped

untapped

Analysis of high resolution data from smart meters generates simple energy saving advice and activities tailored to the school.

Our Untapped Schools

Aylward Academy

Windmill Road, London
N18 1NB

Barton Hill Academy

Queen Ann Road, Bristol
BS5 9TX

Bexleyheath Academy

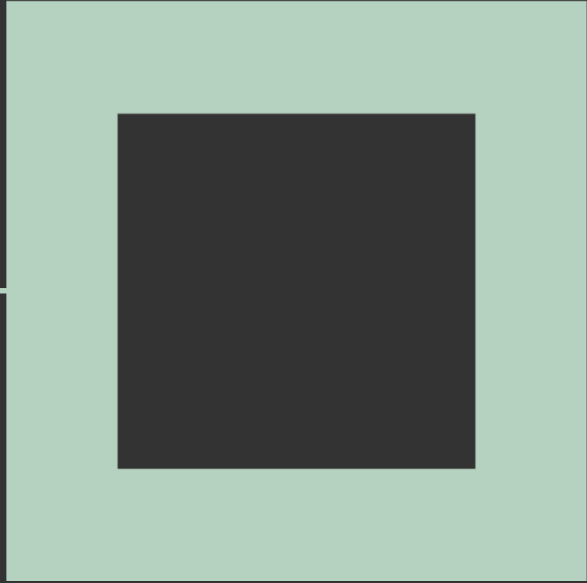

Woolwich Road, Bexleyheath
DA6 7DA

TAPAS.

Ambitions / Questions.

- Communicating the outputs: schools, consultants, architects, etc...
- Links with Low Traffic Neighbourhoods and Schools Streets?
- Effectiveness of urban greening on indoor/outdoor air quality?
- Targeted on selected schools / more broadly looking at all school buildings?
- Link with climate adaptation?
- Links with Planning and Local Authorities?

Thank you.
