**Gold Buffalo & FreeThinkers**  
**Letter #1 / September 1st 2024**

***Sapere aude, Netflix!***

**Zatori Institute of Applied Metaphysics created the Texas Renaissance Game** (See TRG Letter #2 on the ZIAM website: [www.ziam.org](http://www.ziam.org)) in concert with the concepts of Gold Buffalo Veritas: Truth = Reality, De Facto Gold Standard (Gold Buffalo), DONE (Dodecahedron of NeoExistentialism), GAIA (Generative Artificial Intelligence Actualization), and A[S]SSS Reality; the primary purpose of which is awakening, transforming and transitioning **FreeThinkers into Enlightened FreeThinkers**.

**FreeThinkers working in Texas know** we are experiencing a rapidly accelerating, changing, emerging, evolving Reality conflated with the greatest, most spectacular and honest-to-god paradigm shift in the history of the American [STEM] STEM SPECIES (SocioPoliticoEconomic Cultural Intellectual Existential Synchronistic) System. Plus they understand that this profound seismic/tectonic shift began **August 15th 1971 when POTUS 37 "closed the gold window" at \$35 per troy oz** and created the current corrupt crony criminal capitalist fiat dollar USG Federal Reserve sub-system of **A[S]SSS Reality**.

**Gold Buffalo (Liberty):** One troy oz 9999 fine gold coin introduced into the A[S]SSS on June 22nd 2006 at **\$583**. **Gold Buffalo Tribal Index** continues to be an accurate, objective, reliable, trustworthy indicator and predictor of our rapidly accelerating, changing, emerging, evolving A[S]SSS Reality. **ZIAM** re-calibrates the Texas Renaissance Game's Archimedean [reference] point of punctuated equilibrium and dialectic synthesis on **POTUS Inauguration Day**; i.e., 01/20/2017 **GB \$1400+**, 01/20/2021 **GB \$2000+**, 01/20/2025 **GB \$3000+**, 01/20/2029 **GB \$4000+**, 01/20/2033 **GB \$5000+**.

**FreeThinkers know the difference** between chicken salad (Gold Buffalo Veritas: Truth = Reality) and chicken sh\*t (Fiat Dollar Cacas: Lies = Deceptions). Because they understand that everything is 90% chicken sh\*t, FreeThinkers perceive and attend to the chicken salad. And they remember the bowling scene in "The Big Lebowski" (**Texas Renaissance Game**) when The Jesus (Gold Buffalo Veritas: Truth = Reality) says to Walter (Fiat Dollar Cacas: Lies = Deceptions): ***Let me tell you something, pendejo!***

**Enlightened FreeThinkers will purchase one Gold Buffalo and grok the gestalt of Time from January 20th 2025 to January 20th 2029:** POTUS 48 inaugurated; Gold Buffalo valued over \$4000; **Texas Renaissance Game** begins its fourth and final quarter. **Time = VUCAARE** (Volatile Uncertain Complex **Absurd** Ambiguous Risky Existential) **Time!**

**EFTs and FTs who know the Gold Buffalo** will know and understand TPTB directed history, fiat dollar socio-politico-techno-economics, applied metaphysics, A[S]SSS Reality and, most important of all, the dialectic synthesis spectrum of **Free Will "V" Determinism:** RepubliKratz AmeroFascist Kabuki Theater (Determinism = Thesis) "**V" The Power of Gold Buffalo Veritas: Truth = Reality (Free Will = AntiThesis)**.

***Ego sum servus fidelis veritatis!***
