On-site repair call-out fees are as follows: For locations within a 15km radius, the cost is \$5/km. If the distance excl.ceeds 15km, the additional portion is charged at \$3/km, with distances less than 3km being billed as a minimum of 3km.

Please make sure to clearly specify the details of the repair needed, so that we can bring the necessary repair tools. If there are additional repair tasks required after the initial on-site visit, a second on-site fee will be charged.
