It is expressly provided herein that each Lot in Hopes Landing Subdivision as the same is fully described herein is burdened with the following provisions concerning enforcement of the Deed Restrictions and obligations of Lot Owners contained in this instrument. The Board of Directors under authority of Article 3 of these restrictions shall by majority vote determine when a violation has occurred and the appropriate action to affect a remedy.

On determination by the Board of Directors that a violation has occurred, the Lot Owner of the Lot where the violation has occurred shall be notified in writing, delivered by registered mail, of the violation and requested to remedy the violation within 15 days from the date of notice. Intermittent violations such as defined but not restricted to those described in Article 15 shall be considered continuing violations if occurring more than once.

The Lot owner shall have the right to appeal by notifying the Board of Directors in writing not later than 15 days from date of notice. The Lot Owner may appeal in writing or by oral presentation before the Board. On review of the appeal, the Board may dismiss or sustain the violation. Should the notice of violation be sustained, the Lot Owner shall again be notified in writing, by registered mail, with a request that the violation be remedied within a specified number of days from date of this final notice.

Should the violation not be remedied within 15 days from date of notice, or in the case of appeal within the specified number of days from the final notice, a fine of \$50.00 shall be imposed and assessed against the Lot Owner.

Should the violation not be remedied within an additional 15 days (a total of 30 days from date of notice, or in the case of appeal, within the specified number of days plus 15 days from the date of final notice) a second fine of \$100.00 shall be imposed and assessed against the Lot Owner. A \$100.00 fine shall be imposed and assessed against the Lot Owner each additional 15 day period until the violation is remedied. A lien to secure payment for the amount of unpaid fines plus reasonable interest, attorney's fees, and filing fees will be placed against the Lot Owner's property when the total amount of the unpaid fines exceeds \$250.00.

In the event that a violation is not remedied within the stated period of notice and such violation can be remedied by the Board of Directors, in addition to the fines levied, the Board of Directors may act to affect such remedy.

24. DRAINAGE EASEMENTS

No Lot owner in HOPES LANDING Subdivision shall so obstruct the natural flow of water to cause damage or flooding to the other Lot owners in HOPES LANDING Subdivision.

Multiple owners of one lot shall be considered as one lot owner and shall have only one vote among them and be assessed only one annual maintenance charge per year. An owner of multiple lots within the Subdivision shall be considered as one Lot owner and shall have only one vote for such lots and be assessed only one annual maintenance charge per year.

Lots, Property Owners, and Homeowners referred to in these Restrictions and the By-Laws of Hopes Landing Property Owners, Inc. shall have the same meaning as Lot owners.
