

# WHY JOIN THE PTO?

## Benefits the Children & School

### Making Connections

Research shows that children perform better when parents are engaged in education both at home and at school. Parental involvement boosts student achievement.

### It's Good For You

The PTO provides support for teachers and administration and strives to create a positive and caring atmosphere in the school.

Get to know the teachers and staff better and make life-long friends with other parents at the school.

Socializing with other parents and volunteering is fun, healthy and rewarding. It also allows you to contribute your skills and knowledge.
