

Ramona Garden Club Grant Application

The Ramona Garden Club was established in 2003 to further interest in gardening, horticulture, landscape design and wildlife. Proceeds from fundraisers are used to encourage community beautification, conservation of natural resources and further related educational projects in agriculture and horticulture.

The maximum award is \$500 based upon the merit and scope of the request. Each application will be reviewed on a case-by-case basis. Applicants may also re-apply once a twelve-month period has passed after receiving the initial grant. Please mail your completed application along with any supporting documents or photographs to:
Ramona Garden Club Attn: Grant Committee, P.O. Box 1412 Ramona, CA 92065.
